Will of Gilbert Rovang (Vol D?, Will Records of Rock County, p 336-8) "I, Gilbert T. Rovang, of the Village of Hills, Co of Rock....being of sound mind, memory & understanding ....I: ...appoint my friend J.N.Jacobson of Hills...sole executor...II. My daughter, Theoline Rovang, has remained at home since childhood, rendering faithful & unselfish service to myself & wife without any stipulated compensation, and for that reason I do hereby give....to my beloved wife Anne Rovang and to my said daughter Theoline Rovang as joint tenants & not as tenants in common, for and during the period of their natural lives, my homestead in the Village of Hills....consisting of one whole village block, and now occupied by me, my wife and Theoline. After the death of my said wife and Theoline Rovang, the remainder of said property I give...to my remaining children share & share alike, if living, if not, then to their lawful heirs by representation. III. I am the owner of 320 acres of farm land situated in Rock Co. I direct that my executor sell said lands at such time when the same can be sold advantageously...The proceeds of said sale will then be disposed of by him as follows: $1000 thereof shall be placed in a separate fund for the benefit of the Bethleham Lutheran Church of Hills...to be used in the construction of a new church building....The remainder of the said fund shall be paid to my children, Anne R. Helgeson, Sigrid Hellie, Mary R. King, Betsey Kvale, Emma Magnuson, Clara Hovland, Theoline Rovang, share & share alike if living, and if not to their lawful heirs....In making such payment, my executor shall take into consideration that my daughters, Anne Helgeson, Sigrid

Hellie, and Emma Magnuson have each received an advancement from me of $2000, which amounts shall be deducted from the shares I bequeath to them respectively. In testimony....at the city of LaVerne, Rock Co on 29 Oct 1932." Signed: Gilbert T. Rovang. Witnesses: E.H.Canfield of LaVerne, E.O.Bjorson(?) of LaVerne. Probated at LaVerne 25 Nov 1933 by Olaf Skyberg, Judge of Probate.

6/11/90 Lake Benton, Minn. Home of Gladys & Hermann Paulson. (Gladys is the daughter of Aunt Betze Rovang Kvale, RKF's grandmother's sister.)

Following are excerpts from Gladys' extensive genealogical and historical notes.

"The persons having the name Rovang could be Rovangs by birth, because they bought the farm, because they married a daughter who was born on the farm, because they rented, because they worked there, and, farther back, because they were slaves of the gaard (farm). Norway had many slaves captured in Viking raids."

"Gulbrand T. Rovang's father bought this gaard (Rovang) in 1852. His father was 25-26 years older than his mother. His father died 11 Oct 1875, and his widow sold the farm and came to America. Grandpa (Gulbrand Rovang) left Norway in 1866 and went to Winnishiek Co, Iowa. In 1874 he came to Rock Co, Minn. He had been a stage coach driver in Norway, as had his father before him. The ancient road they traveled begins at sign called Heenasen ("Heen" is the name of a gaard, and "asen" means view or height) with a church and cemetery near the top called Heenasen Kapel. At one end of the road is Rogen gaard, and at the other is Nordsteen gaard, where Grandpa's father came from....

"I asked in Archives and elsewhere about Grandpa's mother being a Quaker and one of her brothers (Ole or Thomas) being imprisoned several times. No information -- even in Archives."

[Following excerpted by Gladys from an undated (1905?) letter by Mrs. E.E.Fitch.] Thomas Rogen, father of Rachel Rogen (Mrs.Fitch) came to American in 1848 before his sister (Grandpa's mother). He died in 1864. He was imprisoned twice in Norway, once for his religious beliefs and once for refusing to be a soldier. Mrs. Fitch talks about a 'queer religious belief taught by a lady named Hannah.' Her father's 1st wife was converted by Hannah, and 'she thought she was called on to leave her young baby to go to preach. She went to Bergen, was imprisoned, and starved herself to death.' Her father then remarried [Mrs. Fitch's mother]. *[Gladys notes that Hannah Whitehead Smith was a famous Quaker preacher from Philadelphia. It's doubtful that she converted Thomas Rogen because she was b. 1832 & Thomas left Norway in 1848. It could not have been this Hannah, as Thomas'*

Nellie, and Emma Magnuson have each received an advancement from me of $2000, which amounts shall be deducted from the shares I bequeath to them respectively. daughter wrote. Mrs. Fitch probably heard of Hannah's work and Hannah also preached in Norway.]

The following are paraphrased from Gladys' notes:

In another letter, Uncle Ole Rovang mentioned that his mother was in Kristiania (Oslo) when "Uncle Thomas got married." *This Uncle Thomas was also Grandpa's uncle (wasn't he Gulbrand's brother? JGF) and Mrs. Fitch's father.*

Jon (sic) Rovang said he had heard from older people that Grandpa's mother was a remarkable woman "many years ahead of her time."

Between 1807 and 1814, Norwegian seamen on ships seized by the British warships were interned in British prisons until peace came in 1814. English Quakers visited, comforted, encouraged (and converted) many. When the war was over, they went home to their various areas of Norway.

Quakers were forbidden to proselytize in Norway on pain of deportation. They could live in only certain cities. They were forbidden by their religion to take oaths or enter military service, and could not accept the rituals of the Lutheran church; i.e., baptism, marriage & burial. Their children weren't baptised or confirmed.

Anne (Grandmother Rovang) was the daughter of Halvar Nielson Vestle & Sigri Knudsdatter. She was b. 21 Dec 1840, confirmed 8 Jun 1856, m. 23 Oct 1864 in Westre Slidre *[or could this be date bans published; RKF has a December wedding date]*, & came to America in 1866.

Gulbrand Tostensen Rovang (Nordsveen) was b. Vang 13 Mar 1842 & moved to Westre Slidre in 1852. He m. Anne Halvorsdatter (sic) Westlien (sic).

Betze, Gladys' mother, was born in a sod house on Mud Creek in Rock Co, Minn. in 1874. Because she was the only child with black hair, it was always a family joke -- her having black hair and being born in a black dirt sod house.

A picture of Rev. Koren *[the Norwegian minister who came to Washington Prairie Church near Decorah, Iowa, & whose wife wrote the diary we have]*, snow haired and very handsome, was always in a gold stand on top of the music cabinet in Grandpa's house.

Information on the middle part of Norway is available from the Statsarkivet, Strandgate 71, N-2300, Hamar, Norway. The archivist is Oivind Sandberg. If we write in English they will answer in English.

Source:Family research by Gladys Paulson; paper on her mother's heritage (see copy in file) Also on 1801 Census, age 43.(MF 6200920 Side E 02 Nordsveen)

According to family records gathered by GKP, she was a "pige" (girl) fra Kvien when she was married, probably about 11 years old. Actually, research by RKF of 1801 Census shows her to be 24 at time of marriage} Most likely she was a poor hired girl from a cottager holding. (Kvien had 13 cottager farms. She had no children of her own for seven years and she obviously mothered the four children of the first marriage who were almost her own age. (When Marit married Guldbrand, the chidren of first marriage were age 10 (Ole), 7 (Helge), 4 (Guldbrand), and 1 (Sigrid). No doubt Marit was indeed the mother they knew!)

Kvien Gaard , her home, is famous for fostering Gyda, daughter of a King of Hordeland and Hallingdal, who came to Kvien to be educated and fostered, according to a common custom at that time. It was sort of a finishing school among peers. Harold the Fair-Haired was turned down in marriage till he had all of Norway under his dominion and then he was King of all of Norway and could cut his hair and have Gyda's hand in marriage.

BIRTH: Date of birth determined by the 1801 census

The primary source of information about her is the family research by Gladys Kvale Paulson and a paper on her mother's heritage.

According to family records gathered by GKP, she was a "pige(girl) fra Kvien" when she was married, probably about 11 years old. Actually, research by RKF of 1801 Census shows her to be 24 at time of marriage. Most likely she was a poor hired girl from a cottager holding. (Kvien had 13 cottager farms. She had no children of her own for seven years and she obviously mothered the four children of the first marriage who were almost her own age. (When Marit married Guldbrand, the chidren of first marriage were age 10 (Ole), 7 (Helge), 4 (Guldbrand), and 1 (Sigrid). No doubt Marit was indeed the mother they knew!

Kvien Gaard , her home, is famous for fostering Gyda, daughter of a King of Hordeland and Hallingdal, who came to Kvien to be educated, according to a common custom at that time. It was sort of a finishing school among peers. Harold the Fair-Haired was turned down in marriage until he had all of Norway under his dominion. Then, when he was King of all of Norway, he could cut his hair and have Gyda's hand in marriage.

HUSBAND - Torsten Guldbrandsen (Torpe) ROVANG

BIRTH: Torsten was born in 1793 at Nordsvein. Nordsveen has many spellings, among them Norsveen, Nordstein, Nordsvein, Nasveen. (In America it was Norswing) A letter to GKP from Knut Endresen Rovang, c.1963, in Norway, further confirms Tosten was born at T(h)orpe & died in Vestre Slidre.

The 1801 Census for Nordsveen, Christians, Oppland gives his age as 8. Early church records give his name as Tosten; on the census it is Torsten; family records say either Torsten or Torstein.

He later lived on a Torpe (Thorpe) farm and used that name. After his marriage he lived on Rogn and finally bought one of 4 Rovang gaards, the Sorre (South) Rovang farm (Gnr. 27, Bnr.5) in Vestre Slidre, on 24 Feb., 1852. After that, as was customary, he was called Torsten Guldbrandsen Rovang. [Reference in Vestre Slidre Parish Register]

DEATH: He died 11 October 1875 at the age of 82 and was most likely buried in the Vestre Slidre cemetery, although that has not as yet been proven.

WIFE - Anne Helgesdatter ROGN

BIRTH: She was born 19 September 1818 at Lille-Rogn, Vang, Oppland, Norway. Like many Norwegian farms, Rogn was split some years ago to accomodate the demands of a growing family of heirs. [Lille Rogn means Upper Rogn, according to some records--need to research that farm in Norway census for 1801 & later censuses.]

CHRISTENING: She was christened 27 September 1818 at the Vang Kirke. [Parish Christening Records Vang Kirke] Witnesses: Marith Thomasdtr. Rogn; Margrette Johnsdtr.; Gullich Andersen, Belsem; Ole Nielsen, Lille Jevne; Thomas Gullichsen Jevne [Marith Thomasdatter & Ole Thomesen Torpe are siblings of Helge Thomasen. Ole Thomesen is shown as owner of Torpe on the 1801 Census; Ole Nielsen is listed in the 1801 Census at Jevne Lilli, age 15, Tienestefolk, or servant]

According to Gladys Paulson's research, Anne and her husband were practicing Quakers for a number of years
and they were married in the Quaker church, which at that time was illegal in Norway. [The Lutheran church was the state church.] They were officially married in the Lutheran Church at Vestre Slidre 11 years after the birth of their first child, their son Gulbrand. The minister wrote on Gulbran's baptismal record that he was "this couple's first indiscretion", which puts some question marks around their marital status. Blain Hedberg, Director of the Vesterheim Genealogical Center, insisted that the baptismal record would be marked accordingly if Anne was a Quaker, not a Lutheran. However there is good

anecdotal evidence that she was indeed a Quaker, not a practicing Lutheran, even that she was a Quaker preacher all or most of her life. Primary evidence was the recollections of her granddaughter Betze Rovang Kvale (Mother of Gladys Paulson) of her conversations with Anne. As a young girl, Betze often stayed for long periods of time with her grandmother at Corson, and she recalled walking together many miles across the unsettled prairie, bible under Anne's arm, as they searched for lonely housewives settled in lonely isolation to whom she could bring the Quaker message. Gladys believes that the reason their official wedding came so long after the birth of her son was most likely related to the need to establish an official, legaly acceptable union, for whatever reason. This needs further research.

After marriage Anne and her husband bought and farmed one of the Rovang farms, and as was customary, they took the name Rovang.[Vestre Slidre Parish Register 1865-1880, page 238, #19] There they farmed and raised their family for more than 30 years, until his death. According to the Norwegian census returns of 1875, she was a widow living on one of the Rovang farms in Vestre Slidre, with her children: Tomas, born 1854; Ole, born 1854 (they were twins); Marit, born 1858, & Helge, born 1860. Her son, Gulbrand had previously emigrated to America in 1866.

She sold the farm (gnr.27,bnr.5) April 1876, & emigrated to the US with her 4 children. They traveled by steamboat & reached their destination in nine days. They arrived in Decorah, Iowa, June 24, 1876.

She spelled her name Rogen [adding an e] after coming to America

At first she settled in Decorah, Iowa, with her sister and brother-in-law, Kirsti and Gullik Gulliksen, and Marit Gjermandsdatter, the mother of Anne and Kirsti.[All of whom had immigrated together in 1861 and were early members of the Norwegian settlement at Washington Prairie.]

Two years later, in 1878, she & her son Tomas purchased land near Corson, Minnehaha County, South Dakota.

From the Centennial booklet: Corson 1888-1988 " Centennial Celebration of Corson, So.Dak., 1888-1988 Corson, originally known as Aubrey, is and has been an unincorporated village of some 20 families and several businesses located two miles north of Brandon and 12 miles northeast of Sioux Falls. It is and has been a closely-knit neighborhood covering principally the east half of Brandon Township, lying in the valley of the Split Rock River; having some very good farmland and some rough but beautiful land. It was settled in the late 1860's and early 1870's, in a large part, by immigrants from Norway. All have worked together and collectively built and operated their own church, school, township government, elevator, bank, and society.

The booklet goes on to document the beginning of the village in May 1888 through the building of the Willmar & Sioux Falls Railroad, & states that 10 years later Brandon had its rail line from Worthington. The town, the first

railroad station out of Sioux Falls, was named for Henry Tabor Corson, one of the first directors of the railroad corporation .

Among the original homesteaders appear the names: Christopherson, Egge, Fauske, Heggen, Harum, Helmey, Hockenstad, Holden, Nordstrom, Jones, Risty, Rovang, Thoreson and Zweep. The descendants of most of these founding fathers remain in the community as residents or landowners. Their original accomplishments, it is hoped,will be shown in the biographical part of this work."

A section on the Rovang family details much information already in family files. Specific to their settling in Corson, it says "In 1878, Anne Rogen Rovang and her son, Thomas, purchased land near Corson on the Split Rock River from John Hallgren, a Civil War veteran who had received this 160 acres in a Federal Land Grant signed by President Rutherford Hayes on Oct. 30, 1877."

Their first home was a sod hut. Later they built a small frame house located on the high bank just above the Split Rock River about one mile northwest of Corson. In 1901 they built the present house & barn. After Tomas died in 1906, her son Ole Jr. & his wife Sena & their family moved to Corson and took over the farm. She lived there with them for a few more years.

Finally, in about 1908, Anne went to Hills to live with her only daughter, Mary Rovang Hoyme until she died at the age of 92. A photograph taken of her in the last year of her life shows a tiny, frail little lady wearing a Quaker cap and looking as through she had never strayed far from her chair.

DEATH: She died 23 April 1910 at Brandon South Dakota, while she was visiting or living with family there. At her death she had 27 grandchildren and 17 great-grandchildren.

BURIAL: After her death her body was brought back to Hills, MN, and she was buried in the Bethlehem Lutheran Cemetery. She was buried in a plot with her son Tomas, who had never married, surrounded by many of her family. A lovely white peony bush graces the site.

CHILD 1 - Guldbrand Torstensen (Gilbert) ROVANG

BIRTH: He was born 13 Mar 1842 at Torpe, Vang, Oppland, Norway. He was most likely born at Torpe, as that is name given for his father on the christening record.

Christening: He was christened 5 May 1842 at Vestre Slidre Kirke, Vestre Slidre, Norway. Witnesses: Peder Jevneich; Christopher Borge; Gunder Rogn; Aase Jevneich; Kjersti Rogn.[Gunder & Kjersti Rogn are his mother's brother & sister]. His birth occured 11 years before his parents' official church marriage. Gladys Paulson states this is because they were Quakers whose marriage was not recognized by the state of Norway. [This account is disputed by a staff member at Vesterheim, and must be further researched.] They were later married

On numerous official records, his last name variously was Gilbert or Gilbertsen, and sometimes he used his patronymic, either Tosten,Torstensen or Thorstenson; he gave his first name as Gilbert, Guldbrand, Gudbrand or Guilbran. He even filed an Intent To Naturalize document as Gulik T. Rovang, but was finally. naturalized as Gilbert Thostensen (see papers in file.) naturalized as Gilbert Thostensen (see papers in file.) During the years he lived in Iowa, he is recorded in the 1870 census as Gilbert Torstenson (However, in the baptismal records of the Big Canoe Church at the same time, for his daughter Sigrid's christening, he is listed as Gulbrand Torstensen Rovang). Finally, on March 29, 1893,when he was 51,he legally changed his name from Gilbert Tostenson to Gilbert T.Rovang. From then on he signed himself on legal papers as Gilbert Tosten Rovang. For the purposes of this genealogy we have used his name as christened. However it should be further noted that even at his death, when he is referred to in all the newspaper accounts, including his obituary (see file) by the above name, the spelling of his name that he [or someone] chose to put on his & his infant son's tombstones is Guldbrand. [This change of names was a typical process for many Norwegians of that time as they sought to balance the customs of their motherland with those of their new home. He emigrated to America with his wife & her younger sister Sigrid, leaving the Port of Bergen 25 April 1866 on the FREDERICK PETERSON, & arriving at the port of Quebec in June. [Vestre Slidre Kirke Parish Records]

The Rovangs settled first in Pleasant township,Winieshiek County, near Decorah, Iowa, and lived there at the Big Canoe settlement for one year, then nearby from 1866 to 1874. The 1870 US Census [Iowa, Winnieshiek Co., Pleasant Twp] lists: Dwelling #73:Torstensen, Gilbert, 28, farm laborer, b. Norway; Anna V., 29, keeping house, b. Norway; Anna M., 3, b. Iowa; Sarah, 1, b. Iowa.

Family lore says they lived near the Gulliksens, Gulbrand's maternal aunt Kirsti & her husband, who lived in Springfield Twp. Also that they lived in two places, of which one or both were near the Washington Prairie Church.

The pastor of the Washington Prairie Church was Edward Koren, a well-known and much respected Norwegian minister. He was one of the first ministers to come

to America, stay his lifetime and support a parish. His wife's book "Diary of Elizabeth Koren" is a detailed, beautiful portrayal of the early life of these people in their new home. Pastor Koren baptized at least one of Anna & Gulbrand's children and was a revered friend as well as pastor. The Korens and the Rovangs were near neighbors in Pleasant Township for several years. [Gladys Kvale Paulson, their granddaughter, recalls that a photograph of Pastor Koren in a gold easel always sat on top of Gulbran's radio cabinet. She thinks a descendant still has the photograph, but is not certain who it is.]

In 1874 the Big Canoe area suffered a chinch bug invasion which destroyed the wheat crop.(Source:Elizabeth Koren and the GHP recollection of the stated memory of Anna Rovang, who was eight at the time). That fall the Rovangs migrated with several other families, in a wagon train of three wagons, to the east bank of Mud Creek, Martin Twp., Rock Co., Minn., where they homesteaded on the south east quarter located one mile south of Hills on Highway 6 and 1/2 mile east. The Blegen family settled on the other side of Mud Creek; the Goodman Anderson family had already settled on Mud Creek; the Iversons settled nearby. Gulbrand built a sod house first, in order to provide shelter for his family. The site was on Mud Creek, near the hamlet of Hills, MN. The family still lived there when Betze, the first child born in this place, arrived in October of the following year. The first permanent structure Gulbrand built was a barn; for that he hauled the lumber from Sibley, Iowa, some 20 or 30 miles distant. For the first three years after moving to this area, the family endured a grasshopper scourge,and one wonders how they survived. Yet, from this beginning, the Rovang farm eventually grew to more than 600 acres.

He was very instrumental and widely respected for his role in the development of this area, especially the town of Hills. Always active and an important contributor, in his will he bequeathed the sum of $1000 for the development of the Bethlehem Lutheran Church he had helped found.

Guilbrand and Anne retired from farming & moved into the town of Hills in 1908 (Hills was founded in 1890). He accumulated a great amount of property, both farm land and in the town of Hills . The home they built in Hills is on a lot that occupied an entire block, & with very few changes still stands on the corner of Second St. & Josephine Ave. It has recently been restored to nearly its original state and, now part of an Historic District, it stands as a monument to this sturdy pioneer. The marriage of this couple endured for 69 years and they died within seven months of each other, Anne first.

A small, slightly built man, in his retirement -- and in RKF's memory -- he was invariably impeccably dressed, even in the blistering heat of summer, in a dark serge suit, a shirt with a celluloid collar, necktie and a dart homburg hat. He had a neatly clipped van dyke beard, white as his hair, and was quite an imposing sight. He always walked erectly and refused ever to use the gold-headed cane his daughters gave him on his 50th wedding anniversary. [The cane is now in the possession of his grandson,]His great granddaughter RKF treasures early her childhood memories as well as recollections of her father,

George King, talking about him. His file contains many wonderful photographs, newspaper clippings, interviews and essays by his grandchildren about him and his beloved wife.

DEATH: Gladys Kvale Paulson, his granddaughter, in an interview with RKF in 1990, described his death as follows:" He'd been off the farm then for about 35 years. He died in the fall on a warm day in October .....I can remember it very well. I remember everything about him dying. He'd been uptown to get the mail for the preacher who lived across the street--and it was warm--and he was coming home early--and he was coming bending over at an angle. So I said to Aunt Theo, 'Something's wrong with Grandpa.' And there was something wrong. When he came home, everybody seemed to be there. All the aunts [his daughters] were there. They put him to bed and he lived a couple of days. He had his nightshirt on, with a pocket, you know, and he had his watch in there, because Grandpa was so fussy about the time. He was saying something before he died, so they gave him his watch to hold, and he was holding his watch, looking at the time, when he died.....He couldn't talk toward the last.. ...I remember Auntie Hoyme, his sister, came and prayed, and my Mom (his daughter Betze)did. Everyboby was around there, and it was real nice, real, real, nice."

BURIAL: Bethlehem Cemetery is a walking treasure trove of information about all the Rovangs and their kin on all sides. The roll call of names is a veritable history of this sweet, very small town. Guldbrand is buried next to his wife, surrounded by several of his children, his mother and many other close relatives.

CHILD 2 - Ole Tostensen ROVANG

BIRTH: One of twins, he was born in 1854 on the Rovang farm.

CHRISTENING: He was christened 4 September 1854 at the Vestre Slidre Kirke in Vang. In keeping with Norwegian naming customs, he was named Ole for his father's family; his younger brother was also named Ole for his mother's family. GKP says he was called "Big Ole" because he was the older.

He emigrated to America on the FREDERIC PETERSON in April 1876, accompanied by his mother, sister and three brothers. At first he settled near Decorah, Iowa with his mother's sister and her family, but he soon moved to Erskine, Minnesota where he was an early settler.

He was a Bee Keeper. GKP notes state he & his wife had several children who died. Later they adopted or were foster parents to many other children. Unfortunately, at this point little more is known of him. Needs further research.

CHILD 3 - Tomas Tostensen ROVANG

BIRTH: One of twins, he was born in 1854 on the Rovang farm.

He emigrated to America with his mother & 4 siblings April 1876 on the FREDERIC PETERSON. He arrived in Decorah, Iowa on June 24, 1876.

Two years later, in 1878, he and his mother purchased land near the village of Corson, Minnehaha County, South Dakota. There he homesteaded with his mother, never married, & lived on the farm with her until his death in 1906. [For details about Corson History see his mother's notes]

He was always called "Red Wing", a nickname which stemmed from the original meaning in Norske of the name Rovang--originally spelled "Rode Vang", which means "Red hillside", probably because of either mountain ash trees or red maples which turned red in the fall. He loved to sing, and frequently sang to his team of horses as they pulled the wagon. He also played the violin.

BURIAL: He is buried in the Bethlehem Lutheran Cemetery at Hills in a plot he shares with his mother.

CHILD 4 - Marit Tostensdatter ROVANG

BIRTH: She was born 6 January 1858 on the Rovang farm. She was named for her maternal grandmother.

She emigrated to America with her mother & her four brothers in April 1876, when she was 18 years old. The ship was the FREDERIC PETERSON, a sailing vessel. The trip took nine days and she arrived in Decorah, Iowa on June 24, 1876.

After moving to the USA she was known as Mary. Gladys Paulson told RKF that she was confused as a child that "Auntie Hoyme" was of her grandparent's generation because she was so much younger than her grandfather.(She was 16 years younger than Guldbrand)

She lived in Springfield Township near Decorah, Iowa, until 1878, when she moved to Corson, South Dakota, with her mother & brother Tomas. Later she returned to Rock County.

MARRIAGE: She married Knudt Helgesen Hoyme in Hills on April 27 1881. She lived in or near Hills all her life life after that. Knudt farmed all his life and they became the parents of nine children.

Her mother, Anne Rogen Rovang, returned to Hills from her farm in Corson when she was very old, and lived with Marit until she died.

DEATH: She died in Hills. At her death she had 27 grandchildren and 17 great-grandchildren

BURIAL: She is buried in the Bethlehem Lutheran Cemetery with her husband, near her mother, several brothers and many relatives.

He was an early settler in Erskine,Minn. According to GKP, he had "many boys"

CHILD 6 - Ole Tostensen ROVANG

BIRTH: Born on Rovang farm. Probably named for an ancestor in his mother's family. Called "Little Ole" because his older brother was also named Ole. (Older Ole was probably named for a paternal ancestor, typical in Norwegian custom.)

Emigrated to America at age 3 with his mother & siblings: 1 sister & 3 brothers in Apr 1876 on the FREDERIC PETERSON.

After the death of his brother Thomas, Ole & his family moved to the Rovang farm near Corson, SD, where they lived with his mother, Anne Rogen Rovang, until she returned to Hills about 1908 to live with her daughter Mary. Ole & Sena then retired to Sioux Falls with their daughter Sadie (Hexam ?).

DEATH: Died in a hospital in Sioux Falls, South Dakota, at the age of 66.

HUSBAND - Guldbrand Torstensen (Gilbert) ROVANG

BIRTH: He was born 13 Mar 1842 at Torpe, Vang, Oppland, Norway. [Torpe is the name given for his father on the christening record.]

CHRISTENING: He was christened 5 May 1842 at Vestre Slidre Kirke, Vestre Slidre, Norway. Witnesses: Peder Jevneich; Christopher Borge; Gunder Rogn; Aase Jevneich; Kjersti Rogn.[Gunder & Kjersti Rogn are his mother's brother & sister]. His birth occured 11 years before his parents' official church marriage. Gladys
Paulson states this is because they were Quakers whose marriage was not recognized by the state of Norway. [This account is disputed by a staff member at Vesterheim, and must be further researched.] They were later married officially in the Lutheran Church, possibly for the sake of their children, all of whom except Guldbrand were born after the ceremony.

As a youth he helped his father on the farm. In his early years he was a stagecoach driver on the King's Highway, now #68, which went through Valdres, from Oslo to Bergen.

MARRIAGE: Guldbrand and Anne were married on May 5, 1842 in the Vestre Slidre Kirke.

In 1963, again in 1973 with daughter Sarah & son Vance, and yet again with daughter Amanda in 1999, JGF & RKF have visited the small, lovely stone Vestre Slidre church where Anne and Guldbrand were married in 1864. It had been newly decorated that year, with the altar brightly painted in rosemaling style, and it is
just that way today--it has not been touched since then. We also saw their original marriage record in the Parish Register at the home of the pastor, but unfortunately could not make copies. [Vestre Slidre Kirke Parish Records] How remarkable to think that this marriage endured through nearly 69 years, and that Anne and Gulbrand were so vital a part of the development of that part of our country!

The 1870 US Census [Iowa, Winnieshiek Co., Pleasant Twp] lists: Dwelling #73:Torstensen, Gilbert, 28, farm laborer, b. Norway; Anna V., 29, keeping house, b. Norway; Anna M., 3, b. Iowa; Sarah, 1, b. Iowa.

Family lore says they lived near the Gulliksens, Gulbrand's maternal Aunt Kirsti & her husband, Gullik, who lived in Springfield Township. Also that they lived in two places, of which one or both were near the Washington Prairie Church.

The pastor of the Washington Prairie Church was Edward Koren, a well-known and much respected Norwegian minister. He was one of the first ministers to come to America, stay his lifetime and support a parish. His wife's book "Diary of Elizabeth Koren" is a detailed, beautiful portrayal of the early life of these people in their new home. Pastor Koren baptized at least one of Anna & Gulbrand's children and was a revered friend as well as pastor. The Korens and the Rovangs were near neighbors in Pleasant Township for several years. [Gladys Kvale Paulson, their granddaughter, recalls that a photograph of Pastor Koren in a gold easel always sat on top of Gulbran's radio cabinet. She thinks a descendant still has the photograph, but is not certain who it is.]

In 1874 the Big Canoe area suffered a chinch bug invasion which destroyed the wheat crop.(Source:Elizabeth Koren and the GHP recollection of the stated memory of Anna Rovang, who was eight at the time). That fall the Rovangs migrated with several other families, in a wagon train of three wagons, to the east bank of Mud Creek, Martin Twp., Rock Co., Minn., where they homesteaded on the south east quarter located one mile south of Hills on Highway 6 and 1/2 mile east. The Blegen family settled on the other side of Mud Creek; the Goodman Anderson family had already settled on Mud Creek; the Iversons settled nearby. Gulbrand built a sod house first, in order to provide shelter for his family. The site was on Mud Creek, near the hamlet of Hills, MN. The family still lived there when Betze, the first child born in this place, arrived in October of the following year. The first permanent structure Gulbrand built was a barn; for that he hauled the lumber from Sibley, Iowa, some 20 or 30 miles distant. For the first three years after moving to this area, the family endured a grasshopper scourge,and one wonders how they survived. Yet, from this beginning, the Rovang farm eventually grew to more than 600 acres.

He was very instrumental and widely respected for his role in the development of this area, especially the town of Hills. Always active and an important contributor, in his will he bequeathed the sum of $1000 for the development of the Bethlehem Lutheran Church he had helped found.

Guilbrand and Anne retired from farming & moved into the town of Hills in 1908 (Hills was founded in 1890). He accumulated a great amount of property, both farm land and in the town of Hills . The home they built in Hills is on a lot that occupied an entire block, & with very few changes still stands on the corner of Second St. & Josephine Ave. It has recently been restored to nearly its original state and, now part of an Historic District, it stands as a monument to this sturdy pioneer. The marriage of this couple endured for 69 years and they died within seven months of each other, Anne first.

A small, slightly built man, in his retirement -- and in RKF's memory -- he was invariably impeccably dressed, even in the blistering heat of summer, in a dark serge suit, a shirt with a celluloid collar, necktie and a black homburg hat. He had a neatly clipped van dyke beard, white as his hair, and was quite an imposing sight. He always walked erectly and refused ever to use the gold-headed cane his daughters gave him on his 50th wedding anniversary. [The cane

is now in the possession of his grandson,]His great granddaughter RKF treasures early her childhood memories as well as recollections of her father, George King, talking about him. His file contains many wonderful photographs, newspaper clippings, interviews and essays by his grandchildren about him and his beloved wife.

DEATH: Gladys Kvale Paulson, his granddaughter, in an interview with RKF in 1990, described his death as follows:" He'd been off the farm then for about 35 years. He died in the fall on a warm day in October .....I can remember it very well. I remember everything about him dying. He'd been uptown to get the mail for the preacher who lived across the street--and it was warm--and he was coming home early--and he was coming bending over at an angle. So I said to Aunt Theo, 'Something's wrong with Grandpa.' And there was something wrong. When he came home, everybody seemed to be there. All the aunts [his daughters] were there. They put him to bed and he lived a couple of days. He had his nightshirt on, with a pocket, you know, and he had his watch in there, because Grandpa was so fussy about the time. He was saying something before he died, so they gave him his watch to hold, and he was holding his watch, looking at the time, when he died.....He couldn't talk toward the last.. ...I remember Auntie Hoyme, his sister, came and prayed, and my Mom (his daughter Betze)did. Everyboby was around there, and it was real nice, real, real, nice."

BURIAL: Bethlehem Cemetery is a walking treasure trove of information about all the Rovangs and their kin on all sides. The roll call of names is a veritable history of this sweet, very small town. Guldbrand is buried next to his wife, surrounded by several of his children, his mother and many other close relatives.

WIFE - Anne Halvorsdatter WESTLIE

BIRTH: She was born on Westlein farm. The farm name, & therefore her family name was Westlien--meaning west bank or side. The spelling was changed to Westlie by those who came to America. Anne came from one of the three Riste farms. (Riste was her mother's farm & family name). One of the Riste farms was sold out of the family. The Westlie's and the Riste's lived on the other, bottom side of the fiord (Vestre Slidre). You cross at the Riste Bru (bridge). Rovang was on the top side of the fiord, on the main highway from Oslo to Bergen-Europa 68.

CHRISTENING: She was baptised at the Vestre Slidre Kirke, where she would later be married. On church records her name is spelled "Anne", a fairly common spelling in that part of Norway. It was pronounced "Anna"and in this country was sometimes spelled that way.

After their marriage in 1864 in the Vestre Slidre Kirke, Anne and Guldbrand lived on the Rovang farm. There they experienced the loss of their first child, and in 1866, decided to emigrate to America.

She emigrated to America with her husband and younger sister Sigrid, leaving the Port of Bergen 25 April 1866 on the FREDERICK PETERSON and arriving at the

port of Quebec in June. Her age is given on the passenger list as 19; she was actually 22. She was four months pregnant.

Upon arrival in the USA they went to Decorah, Iowa, where Guldbrand's Aunt Kirsti and her husband, Gullik Gulliksen had settled. They lived there for eight years and became parents to four daughters. In 1874, along with several other families, they migrated to Rock County, Minnesota, where Guldbrand bought farm land. There they stayed until, upon retirement they built a home in the nearby village of Hills, Minnesota.

She lived her entire life, 93 years, in two small worlds: first, the farms of the Valdres, surrounded by her large family, moving only a few miles when she married, burying her first child in the cemetery of the church where she was baptized & married. Then, in the USA, both in the first few years in Iowa, then for almost 60 years in the small world of Hills, Minnesota, she lived once again surrounded always by her large extended family, a life centered on farming, housekeeping, nurturing her family, church, and a remarkable 69 year long partnership in her marriage. It is unlikely that her life style changed much in all those years, not nearly as much as did her husband's or her children's. At her death she had 27 grandchildren and 23 great-grand children!

She was a stereotypical Norwegian immigrant lady, in her granddaughter Gladys Kvale Paulson's words a " quiet, tiny, wrinkled wren" of a woman, always peeling apples or potatoes or else making rugs, or crocheting dish cloths from string. She was always busy. She wore so many layers of petticoats and clothes that she was well fluffed out. She always had a head scarf on because she had a terrible sinus problem. She always had her feet on a foot stool. In the basement kitchen and dining area she had one small chair near the kitchen range, and another between the work table and the maple kitchen cabinet...., a thing of real beauty. The other half of the basement held laundry facitities furnace, storage rooms, and one cot for Grandpa's afternoon naps, and one cubby hole recess for Grandma's nap, too......Summers, Grandma sat outside, either on the back porch steps, or in the vine-covered summer house. This summer house had tables and chairs and was lovely. Back of the summer house was a 2-seated, suspended, slatted swing--very private and a favorite place. Grandma loved flowers and enjoyed picking what we called 'Grandma bouquets', with such short stems. But how she'd beam bringing in her nosegay. Aunt Theo was never happy to arrange them, but it's Grandma's bouquets we remember now. Evenings..Grandma changed her apron and her head kerchief and came upstairs to her reading corner with her lamp, wicker rocking chair...and her bookstand for her reading materials. She also had to supervise evening snacks for visitors, apples or candy or lemonade (hot in winter, cold in the summertime). This was quite the ritual. Relatives often stopped in."

RKF,a great-granddaughter,well remembers her from trips to Hills when she was small. These special memories have to do with great-grandmother sitting in her beloved grape arbor behind the house, and the peppermints she would bestow from the deep pockets of her apron. Typical of many women of her culture, she never was able to wean herself from the pipe it had been culturally acceptable for

her to smoke in Norway. It turns out that was a major reason she spent so much time in her peaceful grape arbor. According to Gladys Paulson,once settled in the new country, Guldbrand, her husband, never forbade her to smoke in their home, but as her daughters grew up they were unhappy with her habit and pressured her constantly to stop. So she would retreat to the summer house, and smoke there. It also explains the endless pocketful of peppermints --no doubt to cover her smoker's breath as well as to dole out to her adoring great-grandchildren!

She never learned to speak English, so her communication with her grand and great-grandchildren was very limited. She always made it clear that she was particularly pleased with those who learned to speak and read Norwegian. Her granddaughter Nellie King was one who felt especially close to her grandmother, and she attributed it to her ability to communicate with her in Norwegian. (See King file for interview with Nellie).

DEATH: Although increasingly frail, Anne was actively involved in her household until a week before her death. She was confined to her bed that last week. She died surrounded by he husband and daughters. Her death certificate gives cause of death as "old age & other complications." She was 92 years, 2 months and 8 days old.

BURIAL: Her grave is in the middle of the Bethlehem Cemetery, next to the church to which she was devoted, surrounded by the graves of her husband and eight of her 11 children, plus numerous other relatives and descendants. In death, as in all her life, she is nestled in the bosom of her loving family.

CHILD 1 - Anne Gulbrandsdatter ROVANG

She was named for her father's mother, Anne Helgesdatter Rogn. She lived three weeks. Although she was left behind in her Norwegian grave, she was never forgotten by her family in America, and was always mentioned in their their obituaries and other family accounts.

CHILD 2 - Anna Marie ROVANG

BIRTH: No documentation to date for her birth or baptism. Presumed to have been born and christened in the Big Canoe settlement and church, as that is where the family first came when they arrived in America the summer before her birth, and her next oldest sister Sigrid was definitely christened there. A search of the parish records at Washington Prairie Church was unsuccessful for her or her sister Marit, although the baptismal certificate for their middle sister Sigri was found there. Needs further research.

Named for her father's mother, Anne Helgesdatter Rogn; possibly also for the infant sister who was buried in Norway before the parents emigrated.

She was educated through high school in the Rock County schools.

After her marriage to John Helgeson, she lived on their farm outside of Hills. [RKF's father (George King) was working on this farm when he had a flash of ESP

& returned to Jackson as quickly as possible to discover his brother Vance had been electrocuted working on a high wire for the telephone company. This was in the summer of 1918, shortly after Vance returned from service in WWI.] The Helgesons farmed there until his death in 1926. After that she lived 18 more years in Hills.

Nell King (Mary Rovang King's daughter--Anna's niece) lived with the Helgesons from the time she was 4 until she was 16. Aunt Nell told RKF in 1988 that her Aunt Sarah (Anna & Mary's sister)came to Jackson to visit and took Nell back to Hills with her for Anna to bring up because she "didn't have a daughter". Nell lived there until she was confirmed, then returned to her parent's home in Jackson. Aunt Nell said it was "OK to go back home because by that time [Anna's daughter] Juliet had been born."

After the death of her husband in 1944 Anna moved to Deadwood, South Dakota, where she lived with her daughter Juliet.

DEATH: She died in Deadwood, South Dakota of congestive heart failure. [Mary Rovang King obituary]

BURIAL: She is buried in the Bethlehem Lutheran Cemetery in Hills with her husband and the Rovang family.

CHILD 3 - Sigrid (Sarah) ROVANG

CHRISTENING: Baptismal Records Big Canoe Lutheran Church, Winnieshiek Co.,IA: "Sigrid, born Nov 28, 1868, baptised 23 April 1869, daughter of Gulbrand Tostensn Rovang and Anne Halvorsdatter. Sponsors Iver Oleson, Peder Iversen' Torbjorn Iversen, Kirsti Larsdatter, & Marie Danielsdatter."

Named for her mother's mother, Sigri Knutsdatter Ridste

Sigrid was the only Rovang child documented to have been christened by the Rev. Wilhelm Koren. RKF search of christening records in the Genealogical Section of the Luther College Library, Decorah, Iowa, in June 1990, produced only this one christening record. Why there were no records of the baptisms of her sisters
Anna,Marit &Theoline is not known at this point. It is possible they were born before any adequate system of record keeping had been put in place in that struggling new settlement. Anna, Marit & Theoline were almost certainly also christened by him.

In 1889-90,along with her sister Marit (Mary),she moved to Sioux Falls,South Dakota, where she is listed in the City Directory of those years as Rovang, Sarah Domestic. It was customary in many Norwegian families in Norway, therefore probably also in America, to allow their daughters to serve as domestics in English speaking homes as a means of learning the language and also perfecting housekeeping skills. Mary does not appear in the subsequent city directories but Sarah is listed again the following year, again as a domestic. The girls lived in a boarding house with other young women, some of

them friends from the Hills community. A large group photograph in the possession of Gladys Paulson was taken when several other of their sisters seem to have been paying them a visit.

MARRIAGE: She was married to Knut Hellie on November 11, 1891,in Hills, Minnesota.

After their marriage she and her husband lived their entire lives outside of Hills, Minnesota where he owned and operated a cement block factory and later managed the J.W. Tuthill Lumber Co. in Hills.
They were the parents of eight children. Their daughter Sylvie Hellie Elmen was extremely interested in the genealogy of her family and active in Norwegian historical associations. Her grandson Robert Elmen, who resides in Sioux Falls, may have more information about her.

DEATH: She died in Hills at the age of 72 and was buried in Bethlehem Cemetery surrounded by her parens, grandmother, numerous other relatives and eventually her husband.

CHILD 4 - Marit (Mary) Guldbrandsdatter ROVANG

BIRTH: The Rovang family is known to have been living in Pleasant Township, Winniesheik County, Iowa at the time of her birth. A personal search by RKF in 1990 of Decorah & environs produced much data, including the christening record for her older sister Sigrid at the Big Canoe Parish Church, but no official record of Marit's birth has been found to date.

She was named for both her great-grandmothers: her father's grandmother Marit Olsdatter Kvien and her mother's grandmother Marit Gjermundsdatter Rogn.

In the fall of 1874, at the age of 3, she moved with her family to a homestead farm on the East bank of Mud Creek, one mile south of what is now Hills, Minn.. There she lived in a sod hut for several years, until a wood home was finished. She attended country school nearby. She lived on that farm until she finished her education when she was 17.

In 1889-90,she moved to Sioux Falls,South Dakota, where she is listed in the City Directory of those years as Rovang, Mary Domestic, F.W. Pettigrew, Real Estate, res. Vine, NW cor Garfield Ave. (His office is listed at Phillips Ave. NE cor. 9th.). Today (1992) the F.W. Pettigrew Museum in Sioux Falls is a large stone Victorian house, once the home of Mr. Pettigrew's brother, who left it as a memorial museum to Frederick W. It was customary in many Norwegian families in Norway, therefore probably also in America, to allow their daughters to serve as domestics in English-speaking homes as a means of learning the language and also perfecting housekeeping skills. Mary does not appear in the subsequent city directories (her sister Sarah does) and as yet it is not certain whether by then she had moved to Jasper, or where or when she met Willie.

MARRIAGE: The official record of the wedding of Marit and Willie shows clearly

Wife **Anne Halvorsdatter WESTLIE**

Notes

that their wedding was an elopement. It took place in the county courthouse, and the witnesses were two clerks in the office. Marit was the only member of her family not to marry a Norwegian. That plus the fact that he was much older (14 years), had previously been married and, even worse from her parents' point of view, was a DEMOCRAT, could account for the fact that they were married in Sioux Falls and not at home as all her sisters were. Also, according to Gladys Paulson (daughter of Marit's sister Betze), Marit was engaged to marry a farmer in Hills before she met Willie.

After her marriage she devoted herself entirely to caring for her family. An excellent cook & housekeeper whose daughter Kittie remembered her mother's incredibly high standards for ironing, she was a strong -willed but quiet woman who seldom left her home. She loved flowers, and always had a large garden, many plants and fresh bouquets all around her home. She also loved birds, and kept several cages of parakeets, what she called "love-birds", on a high shelf in the large, combined dining-living room. Most often, the doors of the cages were open and the birds flew freely about the room, a situation somewhat intimidating to at least one of her grandchildren! Gladys Kvale Paulson, her niece, remembers her as a woman who never got excited or upset, for whom things somehow always came out all right. She also commented on the superior manners the King children had, and how "kissy" they were all were.

According to her obituary she was a member of the Women's Relief Corps, the Royal Neighbors of America, & the American Legion Auxiliary.

DEATH: She died at her home, a lingering death of Cancer of the stomach. The death record states: Father Gilbert T. Rovang b. Norway; Mother Anne Westlie b. Norway.

BURIAL: The funeral service was held at 3PM at the Sathe Funeral Home, service conducted by Rev. Paul B. Shedd & Rev. L.H. Schock. All of her surviving children and many of her grandchildren attended. (See Memorial card in file). She is buried with her husband, their sons William Vance and Robert,and, later, their daughter Kittie & her husband, and two grandchildren who died at birth.

CHILD 5 - Theoline ROVANG

After her parents migrated from Iowa to Minnesota, she lived in Hills, Minnesota, all her life. She never married and never worked outside her home. She lived with and cared for her parents all their lives, and was recognized in her father's will as having made that sacrifice for them. She was given title to their home upon their deaths, and lived on there for several years until it was sold. She then lived for a short while with her sister & brother-in-law, Klara & Lars Hovland. She finally lived until her death in the home of her sister, Betze Rovang Kvale.

A tall, strong-willed, majestic woman, she had beautiful, thick, chestnut colored, hip length hair always done up in a glorious bun that was a source of great pride. [Their legacy of beautiful hair was a common source of pride for

all the Rovang girls. A photograph in the files shows all of them on a day when they had shampooed their hair, and posed, backs to the camera, all of them with hair flowing down to their hips.]

Well-remembered in family interviews and letters. According to one, she "was invited to leave [the Helgeson's home] when she threw Uncle Lars' detective magazines in the fire". Some of her nieces, grand-nieces and nephews remember her fondly,others with fear. All remember her as a definite presence in their lives.

CHILD 6 - Betze Maria ROVANG

BIRTH: She was born in a sod house on the east bank of Mud Creek, Martin Twp., Rock Co., Minn. She was the only member of her family to be born in Minnesota, after her parents migrated there from Decorah. A treasured family anecdote is that she was dark skinned and black-haired --different from her sisters -- because she was born in a "mud hut".

She was born on the day her Grandfather Torsten Gulbrandsen(Torpe) Rovang, her father Gulbrand Rovang's father, died in Norway, and she always remembered that. She was named for her father's mother's family.

While she was growing up, Betze spent a good deal of time with her grandmother Anne Rogn Rovang in Corson, South Dakota, where Anne and her son Tomas were homesteading. Betze remembered her grandmother's Quaker beliefs, and recalled to her daughter Gladys, that she "went along with her grandmother often when they took (the) Bible and other books and walked across the prairie to some Swedish neighbors who had no church or pastor." [Ed. comment: It seems so appropriate that Rolvag's book "Giants In The Earth" was set in 1875, the year she was born, and that the location is so nearby.]

From the age of 17,she was a pioneer schoolteacher in the Hills schools. She was often younger than her pupils, who were frequently newcomers to America, or boys who had to stay home for long periods to do seasonal farm work. Family files have copies of many letters and testimonials from her former supervisors and pupils, also her written recollections of education in the early years in Hills.

Her husband died very young of cancer, leaving Betze alone to bring up their two children. Gladys was then 7 and Vernon 5.

A perpetual student & teacher, she was an honors graduate of Augustana Normal School in Sioux Falls, South Dakota, and she also took numerous courses at the University of Minn branches at Luverne, Mankato, & many correspondence courses. Her daughter Gladys, in an interview, said "....once..my son Jon..when he came down to see her, when he was in school, before he got to be a Vet(erinarian)... she asked him about his school, and she was 92 then, and she said, 'You know, if I was just a little bit younger...I'd either be teaching or going to school.'"

CHILD 6 - Betze Maria ROVANG (Continued)

The whole Freymann family visited her in a nursing home in Hills in 1965 when she was a very old lady. She was then 89, and lived there until she died at age 95. She was still immaculately dressed and wore a lace apron over her dress. Her room was filled with her furniture & personal effects, photo albums & momentoes. One of the things she showed us was a picture post card of a familiar sight to us,the RR station at Hell, just across the bay from Stjordal, which is the site of the Husby farm we had visited [childhood home of Ruth's maternal grandmother]. But she couldn't remember anything about it!!

She was a remarkable woman of her time, & there is much additional information about her in the Rovang file.

DEATH: She died at the age of 96 in the nursing home.

BURIAL: She is buried in the Bethlehem Cemetery in the midst of her family.

CHILD 7 - Tosten Gulbrandson "Tom" ROVANG

BIRTH: He was born on the family farm southeast of Hills, MN. He was the only surviving son.

He lived and farmed there all his life. He was never married.

He was called "Tom" by his friends, and seems to have been a most genial and well-loved man.

DEATH: He died at the Mayo Clinic in Rochester, Minn., while being treated for a brain tumor. His sister Theoline was with him. He was 53 years old and his death was a great sorrow to his parents, both of whom survived him by two more years.

BURIAL: He was buried in Bethlehem Cemetery where he shares a grave site with his parents, his sister Theoline, and the twin baby boys who survived less than a day.

CHILD 8 - Emma ROVANG

Very little is known to this family historian about Emma. She was very pretty, grew up and went to school in Hills. She married at 19 and went off to North Dakota with her husband. They had five children. She died and was buried there.

CHILD 9 - Klara Hellene ROVANG

BIRTH: Born on the Rovang farm.

Graduated from Gustavus Adolphus College with honors in music.

She lived on a farm outside of Hills all her life. She was the church organist, but seldom played her music after marriage. She was said to be "very shy".

BURIAL: She is buried in the Bethlehem Cemetery wiith many family members

They were both so small, they were placed in a shoe box and kept by the oven. She also said they were born live but didn't live but a very short time, not even through the day as I remember. The two named Guldbrand Gulbrandsen and Ellef Guldbrandsen Rovang--Born 1885--Died 1885--were the twins Mom spoke about."

Sources of information: Obituaries,family records and documents, especially those gathered and organized by Gladys Kvale Paulson, his granddaughter, daughter of his daughter Betze Rovang Kvale; Vang & Vestre Slidre Parish Registers; the various papers: naturalization, will, census records, etc., housed in the Minnesota State Historical Society headquarters in Minneapolis; also documents in the Vesterheim Genealogical Center at Madison, Wis., the christening records of the Big Canoe Norwegian Lutheran Church for his daughter Sigrid. (See file)

Chr: (MF 307321 p 54--see file for copy) Witnesses: Peder Jevne-ich; Christopher Borge; Gunder Rogn; Aase Jevne-ich; Kjersti Rogn.[Gunder & Kjersti Rogn are Anne Rogn(his mother)'s brother & sister). Most likely born at Torpe, as that is name given for his father on record. His birth occurred 11 years before his parents' official church marriage. GKP states this is because they were Quakers whose marriage was not recognized by the state of Norway. They were later married officially in the Lutheran Church, possibly for the sake of their children.

In 1852 when he was 10, his father purchased the Rovang farm in Vestre Slidre, Valdres, near Fagernes on the Slidre Fiord, & moved his family there. That is when the family took the name Rovang. (This farm is now owned by Ragnild & Jon Rovang).

Originally there were four Rovang farms. One was later sold to Alf Rovang, a farmer who is not blood-related but who took the Rovang name when he bought the farm, probably some time around 1950-60. He was living there in 1963 & in 1972 when RKF & JGF visited there, the second time accompanied by their daughter Sarah (then 16) & son Vance (then 13). He gave us much information about the family, but never told us that we had ACTUAL relatives living next door!

Occupation: As a youth he helped his father on the farm. In his early years he was a stagecoach driver on the King's Highway, now #68, which went through Valdres, from Oslo to Bergen. Farmer & businessman from the time of his emigration to U.S.

After his marriage in 1864 in the Vestre Slidre chuch (Vestre Slidre Parish Register 1856-1864 page 147,#15) ,Gulbrand and his new bride Anna Halvorsdtr. lived on the Rovang farm, experienced the loss of their first child, and then emigrated to the USA 13 April, 1866, aboard the "Frederick Peterson", which sailed from Bergen to Quebec (Vestre Slidre Parish Register 1865-1880, page 266, also pages from ship's register in file). Her sister Sigrid accompanied them.

They moved first to Decorah, Iowa, and lived there at Big Canoe settlement for one year, then nearby from 1866 to 1874. The 1870 Census for Winnieshiek Co., Pleasant Twp., dwelling #73; family #76, lists: Torstensen, Gilbert, 28, farm laborer, b. Norway; Anna V., 29, keeping house, b. Norway; Anna M., 3, b. Iowa; Sarah, 1, b. Iowa. Family lore says they lived near the Gulliksens, Gulbrand's maternal aunt Kirsti & her husband, who lived in Springfield Twp. Needs research.

WIFE Anna Halvarsdatter WESTLIE-125 Yr of Birth 1840

In 1874 the Big Canoe area suffered a chinch bug invasion which destroyed the wheat crop.(Source: book of Elizabeth Koren, and memory of Anna Rovang, who was eight at the time). Whether or not this was the cause, in the fall of 1874 they migrated with several other families, in a wagon train of three wagons, to the east bank of Mud Creek, Martin Twp., Rock Co., Minn., where they homesteaded on the south east quarter located one mile south of Hills on Highway 6 and 1/2 mile east. The Blegen family settled on the other side of Mud Creek; the Goodman Anderson family had already settled on Mud Creek; the Iversons settled nearby.

Gulbrand built a sod house first, in order to provide shelter for his family. The family still lived there when Betze, the first child born in this place, arrived in October of the following year. The first permanent structure Gulbrand built was a barn; for that he hauled the lumber from Sibley, Iowa, some 20 or 30 miles distant. For the first three years after moving to this area, the family endured a grasshopper scourge, and one wonders how they survived. Yet, from this beginning, the Rovang farm eventually grew to more than 600 acres.

They retired from farming & moved into the town of Hills in 1908 (Hills was founded in 1890). The home he built occupied an entire block, & with very few changes still stands on the corner of Second St. & Josephine Ave.(Pictures in file,in June 1990, & again when RKF & JGF visited Hills). He accumulated a great amount of property, both farms and in the town of Hills; was very instrumental and widely respected for his role in the development of that area.

On the christening records he is Gulbrand Tostensen Rovang (for his father's father). After immigration, he called himself by many variations on his name. His last name variously was Gilbert or Gilbertsen; his patronymic was Tosten, Torstensen or Thorstenson; his first name was Gilbert, Guldbrand, Gudbrand or Guilbran. He even filed an Intent To Naturalize document as Gullik T. Rovang, but was finally naturalized as Gilbert Thostensen (see papers in file).During the years he lived in Iowa, he is recorded in the 1870 census as Gilbert Torstenson. (However, in the baptismal records of the Big Canoe Church at the time of his daughter Sigrid's christening, he is listed as Gulbrand Torstensen Rovang). Finally, on March 29,1893,when he was 51,he legally changed his name from Gilbert Tostenson to Gilbert T.Rovang. From then on he signed himself on legal papers as Gilbert Tosten Rovang. For the purposes of this genealogy we have used his name as christened. However it should be further noted that even at his death, when he is referred to in all the newspaper accounts, including his obituary (see file) by the above name, the spelling of his name he [or someone] chose to put on his & his infant son's tombstones is Guldbrand

This change of names was a typical process for many Norwegians of that time as they sought to balance the customs of their motherland with those of their new home. Needless to say it was an identity search which sorely tests the skills of a family genealogist.

The marriage of this couple endured for 69 years, and they died within 7 months of each other. Early childhood memories of him as well as recollections of her father, George King, talking about him are treasured by his great-grand-daughter, RKF. The home he built in Hills has recently been restored to nearly

its original state, and stands as a sort of monument to this sturdy pioneer. The file contains many wonderful newpaper clippings, interviews and essays by his grandchildren about him and his beloved wife.

Burial: Bethlehem Cemetery is a walking treasure trove of information about all the Rovangs and their kin on all sides. The roll call of names is a veritable history of this sweet, very small town.

WIFE - Anna Halvarsdatter WESTLIE-125

B/Chr: On church records her name is spelled "Anne", a fairly common spelling in that part of Norway. But in this country at least, she seems always to have spelled it "Anna".

The farm name, & therefore her family name was Westlien--meaning west bank or side. The spelling was changed to Westlie by those who came to America. Anne came from one of the three Riste farms. (Riste was her mother's farm & family name). One of the Riste farms was sold out of the family. The Westlie's and the Riste's lived on the other, bottom side of the fiord (Vestre Slidre). You cross at the Riste Bru (bridge). Rovang was on the top side of the fiord, on the main highway from Oslo to Bergen-Europa 68.

Marriage: PR Vestre Slidre Church. RKF & JGF saw the original on a 1963 visit to the church but unfortunately at that time didn't think to get a copy or photograph! (See description below)

She was a stereotypical Norwegian immigrant lady, in her granddaughter Gladys Kvale Paulson's words a " quiet, tiny, wrinkled "wren" of a woman, always peeling apples
peeling apples or potatoes or else making rugs". RKF, her great-granddaughter, well remembers her from trips to Hills when she was a little girl. My special memories have to do with her sitting in her beloved grape arbor behind the house, and the peppermints she would give me from the deep pockets of her apron. Typical of many women of her culture, she never was able to wean herself from the pipe it had been culturally acceptable for her to smoke in Norway. It turns out that was a major reason she spent so much time in her peaceful grape arbor--once settled in the new country, Gulbrand, her husband, forbade her to smoke in their home. It also explains the endless pocketful of peppermints--to cover her smoker's breath as well as to dole out to her adoring great-grandchildren!

She never learned to speak much English, so my communication with her was limited. There is much further description of her in the Rovang file.

In 1963 & again in 1973 with daughter Sarah & son Vance, JGF & RKF visited the Vestre Slidre church where they were married in 1864. It had been newly decorated that year(1864), with the altar brightly painted in rosemaling style, and it is just that way today--has not been touched since then. We also saw their marriage records, but unfortunately did not make copies.

How remarkable to think that this marriage endured through nearly 69 years, and that Anna & Gulbrand were so vital a part of the development of that part of our country!

WIFE Anna Halvarsdatter WESTLIE-125 Yr of Birth 1840

CHILD 1 - Anne Gulbrandsdatter ROVANG-1282

She lived three weeks. Although she was left behind in her Norwegian grave, she was never forgotten by her family in America, and was always mentioned in their their obituaries and other family accounts.

1990--RKF could not find her in P.R. for birth or death in 1865. Needs further research.

CHILD 2 - Anna Marie ROVANG-129

Doc: GKP notes/research/RKF fam rec.

Presumed to have been born & christened in the Big Canoe settlement & church, as that is where the family first came when they arrived in America the summer before her birth, & her next oldest sister Sigrid was definitely christened there. (See her FGR). Needs further research.

After her marriage to John Helgeson, lived on their farm outside of Hills. RKF's father (George King) was working on this farm when he had a flash of ESP & returned to Jackson as quickly as possible to discover his brother Vance had been electrocuted working on a high wire for the telephone company. This was in the summer of 1918, shortly after Vance returned from service in WWI.

Nell King (Mary Rovang King's daughter--Anna's niece) lived with the Helgesons from the time she was 4 until she was 16. Aunt Nell told RKF in 1988 that her Aunt Sarah (Anna & Mary's sister)came to Jackson to visit & took Nell back to Hills with her for Anna to bring up because she "didn't have a daughter". Nell lived there until she was confirmed, then returned to her parent's home in Jackson. Aunt Nell said it was "OK to go back home because by that time [Anna's daughter] Juliet had been born".

According to Mary Rovang King's obituary in the Jackson County Pilot (July 1, 1948) her sister Anna at that time was living in Deadwood, South Dak., with her daughter Juliet. She died there of congestive heart failure and is buried in the Lutheran Cemetery in Hills with her husband & the Rovang family.

CHILD 3 - Sigrid (Sarah) ROVANG-131

Doc:GKP notes; B/Chr Church Rec. Big Canoe Lutheran Church, 1857-1899; Vol 1,p 24,line 39: "Sigrid born Nov 28 1868, baptised 23 April 1869, daughter of Gulbrand Torstensen Rovang and Anne Halvorsdatter. Sponsors Iver Olesen, Peder Iversen, Torbjorn Iversen, Kirsti Larsdatter, & Marie Danielsdatter." She was most likely christened by the Rev. Wilhelm Koren, the well known & much beloved pastor of that Norwegian settlement for many years. Gulbrand, her father, kept a photograph of Rev. Koren on his radio cabinet in the living room all his life. (GKP states one of the descendants still has the photograph)

RKF search of christening records in the Genealogical Section of the Luther College Library, Decorah, Iowa, in June 1990, produced only this one christening record. Why there were no records of the baptisms of her sisters Marit & Anna is not known at this point. It is possible they were born before any adequate system of record keeping had been put in place in that struggling

new settlement.

Worked as a domestic in Sioux Falls, So. Dak. from 1888 to 1890. Source: Sioux Falls City Directories. Listed in 1889-90: Rovang, Sarah Domestic 427 W 10th; 1890-91: Rovang, Sarah Domestic 524 S. Spring Ave. (See Rovang file for notes) GKP has photograph taken in the boarding house where at least Sarah & Mary lived, also with sisters Theoline, Anna & Betze, as well as a number of other young women from Hills whom Gladys could identify. (Research question: were the other sisters also living & working there, or just visiting?)
She had eight children, according to HILLS OUR TOWN, p 122

CHILD 4 - Marit (Mary) ROVANG-21

B/Chr: Family known to have been living in Pleasant Township at the time of her birth. Personal search by RKF in 1990 of Decorah & environs produced much data, including christening record for her older sister Sigrid (at the Washington Prairie Church, but no official record of her birth found to date. Needs further research.

In the fall of 1874, at the age of 3, shemoved with her family to a homestead farm on the East bank of Mud Creek, one mile south of what is now Hills, Minn.. There she lived in a sod hut for several years, until a wood home was finished. She attended country school nearby.

In 1889-90,she moved to Sioux Falls,S.Dak., where she is listed in the City Directory of those years as Rovang, Mary Domestic, F.W. Pettigrew, Real Estate, res. Vine, NW cor Garfield Ave. (His office is listed at Phillips Ave. NE cor. 9th.). Today (1992) the F.W. Pettigrew Museum in Sioux Falls is a large stone Victorian house, once the home of Mr. Pettigrew's brother, who left it as a memorial museum to Frederick W.. Unfortunately the museum was closed on the day (Monday) when RKF/JGF were there, so we were unable to explore it. However, the director of the Pipestone Historical Society is certain that the domestic help of Mr. Pettigrew have been documented & further research may yield more information.

Mary's sister is also listed in the Sioux Falls City Directory of 1889-90 as Rovang, Sarah, Domestic, 427 W 10th. Sarah is listed again in the 1890-91 directory: Rovang, Sarah, Domestic, 524 S. Spring Ave. Mary does not appear in the subsequent city directories, & as yet it is not certain whether by then she had moved to Jasper, or where or when she met Willie.

She was only member of her family not to marry a Norwegian. That plus the fact that he was much older (14 years), had previously been married and, even worse from her parents'point of view, was a DEMOCRAT, could account for the fact that they were married in Sioux Falls and not at home as all her sisters were. Also, according to Glays Paulson (her sister Betze's daughter), Mary was engaged to marry a farmer in Hills before she met Willie.

After her marriage she devoted herself entirely to caring for her family. An excellent cook & housekeeper whose daughter (Kittie) remembers to this day her mother's incredibly high standards for ironing, she was a strong-willed but quiet woman who seldom left her home. According to her obituary [JACKSON COUNTY PILOT July 1, 1948] she was a member of the Women's Relief Corps, the Royal

CHILD 5 - Theoline ROVANG-126

Doc: GKP notes; Family rec.

Presumed to have been born & christened in Pleasant Twp., as 1870 Census shows the family living there, & they are know to have moved from there in 1874, the year after she was born. Needs further research.

Never married, and never worked outside her home. A tall, strong-willed, majestic woman, she lived in Hills, Minnesota, all her life: at home with her parents all their lives; stayed on in that home until it was sold; lived for a short while with her sister & brother-in-law, Klara & Lars Hovland; finally lived until her death in the home of her sister, Betze Rovang Kvale.

Well-remembered in family interviews and letters (see file). According to one, she "was invited to leave [the Helgeson's home] when she threw Uncle Lars' detective magazines in the fire". Some of her nieces, grand-nieces and nephews remember her fondly, others with fear. All remember her as a definite presence in their lives.

CHILD 6 - Betze Maria ROVANG-128

Doc: GKP notes/research, essay; Obit, numerous writings (see file)

Born in a sod house on the East bank of Mud Creek, Martin Twp.,Rock Co., Minn. First member of her family to be born in Minnesota, after her parents migrated there from Decorah. A tressured family anecdote is that she had dark skin & hair--different from her sisters', because she was born in a "mud hut".

She was born on the day her Grandfather Tosten Gulbrandsen (Torpe) Rovang, her father Gulbrand Rovang's father, died in Norway, and always remembered that..

A perpetual student & teacher, she was an honors graduate of Augustana Normal School in Sioux Falls, South Dakota, and she also took numerous courses at the University of Minn branches at Luverne, Mankato, & many correspondence courses.

From the age of 17,she was a pioneer schoolteacher in the Hills schools. She was often younger than her pupils, who were frequently newcomers to America, or boys who had to stay home for long periods to do seasonal farm work. Family files have copies of many letters and testimonials from her former supervisors and pupils, also her written recollections of education in the early years in Hills.

[Ed. comment: It seems so appropriate that Rolvag's book "Giants In The Earth" was set in 1875, the year she was born, and that the location is so nearby.]

HUSBAND Gulbrand Tostensen (Gilbert) ROVANG-124 Yr of Birth 1842

The whole Freymann family visited her in a nursing home in Hills in 1965 when she was a very old lady. (Photograph in file of Rena King, Ruth Freymann & all the children taken by JGF.) She was then 89, and lived there until she died at age 95. She was still immaculately dressed and wore a lace apron over her dress. Her room was filled with her furniture & personal effects, photo albums & mementoes. One of the things she showed us was a picture post card of a familiar sight to us,the RR station at Hell, just across the bay from Stjordal, which is the site of the Husby farm we had visited. But she couldn't remember anything about it!!

She was a remarkable woman of her time, & there is much additional information about her in the Rovang file.

HUSBAND - Ole Torstensen ROVANG-2332

Doc: GKP notes/research & booklet prepared for Centennial Celebration of Corson, So.Dak., July 2 & 3, 1988; Vesterheim Gen. Center Obituary file, MF #1224, 7-17-92

According to GKP, he was called "Little OLe, because his older brother was also named Ole. (Ole the older was no doubt named for his father's family; the younger for his mother's family. This was the Norwegian naming custom).

Emigrated to America at age 3 with his mother & siblings: 1 sister & 3 brothers in Apr 1876. Migrated first to Filmore Co., then settled near Hills, Minn.,for several years. After death of his brother Thomas, he & his family moved to the Rovang farm near Corson, where they lived with his mother Anne Rogen Rovang until she returned to Hills to live with her daughter Mary & they retired to Sioux Falls with their daughter Sadie (Hexam ?).

Occupation: Operated lumber mill in Hills, MN, until 1906, when he took over the family homestead; farmer after that.

From the Centennial booklet: Corson 1888-1988 " Corson, originally known as Aubrey, is and has been an unincorporated village of some 20 families and several businesses located two miles north of Brandon and 12 miles northeast of Sioux Falls. It is and has been a closely-knit neighborhood covering principally the east half of Brandon Township, lying in the valley of the Split Rock River; having some very good farmland and some rough but beautiful land. It was settled in the late 1860's and early 1870's, in a large part, by immigrants from Norway. All have worked together and collectively built and operated their own church, school, township government, elevator, bank, and society.

Among the original homesteaders appear the names: Christopherson, Egge, Fauske, Heggen, Harum, Helmey, Hockenstad, Holden, Nordstrom, Jones, Risty, Rovang, Thoreson and Zweep. The descendants of most of these founding fathers remain in the community as residents or landowners. Their original accomplishments, it is hoped,will be shown in the biographical part of this work."

The booklet goes on to document the beginning of the village in May 1888 through the building of the Willmar & Sioux Falls Railroad, & states that 10 years later Brandon had its rail line from Worthington. The town, the first railroad station out of Sioux Falls, was named for Henry Tabor Corson, one of the first directors of the railroad corporation .

A section on the Rovang family details much information already in family files. Specific to their settling in Corson, it says " In 1878, Anne Rogen Rovang and her son, Thomas, purchased land near Corson on the Split Rock River from John Hallgren, a Civil War veteran who had received this 160 acres in a Federal Land Grant signed by President Rutherford Hayes on Oct. 30, 1877. ... . their first home .... was a sod hut. Later they built a small frame house located on the high bank just above the Split Rock River about one mile northwest of Corson. In 1901 they built the present barn

HUSBAND - Knudt Helgeson HOYME-2448
Doc: B/Chr: Centennial pub. HILLS OUR TOWN 1890-1990, p. 123

He was one of eight children, received little education, and came from a family of small farmers and sheep herders. When he was 17 years of age, in 1871, he embarked on a sailboat bound for America, a six-week voyage. He came to Lincoln County, S. Dak;, to the Tom Risty home, where he worked as a hired hand for approximately three years. (Note: Marit's sister-in-law, Anna Westlie was related to the Ridstes/Ristys. Her mother was one. Any connection? Don't know)

On May 2, 1881, just after their marriage, Knudt & Marit settled on homestead land, Section 31, N.E. 1/4. Knudt's goal was to acquire 80 acres of land for each of his 9 children. This he accomplished. In 1884 he purchased the S.E.1/4 of Section 30 for the sum of $1,280. Over a period of years, he purchased the remainder of Section 31 and the last S.E.1/4 of Section 23 (now the home of Donald Boeve) for the sum of $7,314.

In 1908, Knudt & Marit retired & moved to their new home in Hills. (This house is now occupied by the Hugo Goehle family). Knudt & Marit lived there until their deaths.

Her mother, Anne Rogen Rovang, returned to Hills from her farm in Corson, So. Dak., when she was very old, and lived with Marit until she died.

After moving to the USA she was known as Mary.

Gladys Paulson told RKF that she was confused as a child that "Auntie Hoyme" was of her grandfather's generation because she was so much younger than him. (she was 16 years younger than Gulbrand)

After her marriage to John Helgeson, lived on their farm outside of Hills. RKF's father (George King) was working on this farm when he had a flash of ESP & returned to Jackson as quickly as possible to discover his brother Vance had been electrocuted working on a high wire for the telephone company. This was in the summer of 1918, shortly after Vance returned from service in WWI.

Nell King (Mary King's daughter--Anna's niece) lived with the Helgesons from the time she was 4 until she was 16. Aunt Nell told RKF in 1988 that her Aunt Sarah (Anna & Mary's sister)came to Jackson to visit & took Nell back to Hills with her for Anna to bring up because she "didn't have a daughter". Nell lived there until she was confirmed, then returned to her parent's home in Jackson. Aunt Nell said it was "OK to go back home because by that time [Anna's daughter] Juliet had been born". I think she almost never saw her parents or siblings during those years, & told me that once when they were coming to visit when she was 6 or 7 she hid so she wouldn't have to see them.

Nell Int: moved in c̄ her parents at husb died, with Juliet until Juliet went to Rap. City when she got married. Prob lived c̄ Juliet rest of her life.

According to Mary Rovang King's obituary in the Jackson County Pilot (1 July 1948) her sister Anna at that time was living in Deadwood, South Dak., with her daughter Juliet. She died there of congestive heart failure and is buried in the Lutheran Cemetery in Hills with her family.

This is the cousin for whom George King had special fondness. They worked together in the fields in the summer. Farmed all his life in Hills area

CHILD 2 - Anna Juliet Theoline HELGESON-532

Doc: GKP notes/research; RKF fam. rec.

This is "Cousin Juliet", who seemed so old & sophisticated to me when she showed Don, Bob & me around Hills when she was a teenager & we were little kids. I remember asking her where Main Street was & she said "You just passed it ". I thought that was terribly clever of her. It was also true--the town was so small we had not noticed that we had walked through it.

Where married? Hills? Rap. City?

HUSBAND - Knute HELLIE-888

Doc: GLP notes/research; Centennial pub. HILLS OUR TOWN 1890-1990, p. 122.

Owned & operated a cement block factory and later managed the J.W. Tuthill Lumber Co. in Hills.

WIFE - Sigrid (Sarah) ROVANG-131

Doc:GKP notes; B/Chr Church Rec. Big Canoe Lutheran Church, 1857-1899; Vol 1,p 24,line 39: "Sigrid born Nov 28 1868, baptised 23 April 1869, daughter of Gulbrand Torstensen Rovang and Anne Halvorsdatter. Sponsors Iver Olesen, Peder Iversen, Torbjorn Iversen, Kirsti Larsdatter, & Marie Danielsdatter." She was most likely christened by the Rev. Wilhelm Koren, the well known & much beloved pastor of that Norwegian settlement for many years. Gulbrand, her father, kept a photograph of Rev. Koren on his radio cabinet in the living room all his life. (GKP states one of the descendants still has the photograph)

RKF search of christening records in the Genealogical Section of the Luther College Library, Decorah, Iowa, in June 1990, produced only this one christening record. Why there were no records of the baptisms of her sisters Marit & Anna is not known at this point. It is possible they were born before any adequate system of record keeping had been put in place in that struggling new settlement.

Worked as a domestic in Sioux Falls, So. Dak. from 1888 to 1890. Source: Sioux Falls City Directories. Listed in 1889-90: Rovang, Sarah Domestic 427 W 10th; 1890-91: Rovang, Sarah Domestic 524 S. Spring Ave. (See Rovang file for notes) GKP has photograph taken in the boarding house where at least Sarah & Mary lived, also with sisters Theoline, Anna & Betze, as well as a number of other young women from Hills whom Gladys could identify. (Research question: were the other sisters also living & working there, or just visiting?)
She had eight children, according to HILLS OUR TOWN, p 122

HUSBAND Willie Porter KING-20 Yr of Birth 1857
WIFE Marit (Mary) ROVANG-21 Yr of Birth 1871

HUSBAND - Willie Porter KING-20

Doc : ALPK (his mother) Holographic Genealogy written about 1892 [Copy in file] Walworth Co. birth records did not start until 1873. Census records show both parents living in Adams before he was born there. Listed in Wisconsin 1870 census, 1 June 1870, household #4, as 13 years old, at school, born Wis.

His given name was Willie, not William. In later years, he often signed himself as Will, but he was always very pleased that his name was actually Willie. His education was obviously spotty, as he was the main helper on his father's farm, and his father was often absent on other business. He was still in school at age 16 [ALPK journal], not certain he graduated high school.

He moved with his family as a boy of nine to homestead in Jackson Co. in 1866. Many details of his early life in his mother's journal,also in his own retrospective journal [See file for complete journal. Copy also in Porter-King Family Papers Collection Minnesota Historical Society].

First Marriage: Jackson Co. Register Book A, page 279: "Willie Porter King of Jackson to Mary E. Trumbull by J. Kirkwood Alexander. Witnesses: Wm. V. King & R. Brown"

He assisted his father in the county auditor's office for several years.

In 1878 he moved to a farm in Hunter Twp., along with his parents, where he & Wm. formed a partnership in farming & stock raising. When his wife's health began to fail, they moved back into Jackson.

After her death, in 1888, he left his daughter Mary in the care of his mother Antoinette King in Jackson, and he moved to Jasper,helping to build that new frontier town. Some time in the spring of 1888, he studied photography & acacquired photographic equipment. That summer he erected a photography tent attached to the new office building of the Jasper Journal being edited by his brother Selah, and he opened a gallery there & took many of the first photographs of the town. [Pipestone Hist. Soc. records]. He may have also started a photograph gallery at that time in Windom. Sometime around 1890, according to Olaf Nielsen [see file for interview with RKF July 1992 & HILLS OUR TOWN 1890-1990] he built a studio in Hills on the main street. This building is still standing (See photos in file), but was moved one block (to 204 Central Ave., between 2nd & 3rd streets) when the hardware store on Main Street expanded & needed room for its new blacksmith. Old photographs purchased July 1992 from Robert Kolbe, an antique dealer in Sioux Falls, have the logo "W.P.King, Hills and Jasper, Minn." (An important, as yet unanswered research question is to de-if that is where he met Marit Rovang)

Second Marriage: [Doc: Minnehaha Co. Courthouse, Sioux Falls, So.Dak. Rec.Bk. B, p.11] Application for marriage, facing page Certificate of Marriage. Both dated Jan 1, 1892. Witnesses: Allan Thorne & Ernest Johnson. Thorne was the Clerk of the Circuit Court who signed the marriage application; no information who Ernest Johnson was. Both Willie & Mary stated in the application that at time they lived in Jasper. [Transcript of application & certified copy of marriage license & certificate in file].

HUSBAND Willie Porter KING-20 Yr of Birth 1857
WIFE Marit (Mary) ROVANG-21 Yr of Birth 1871

In a letter to his mother dated July 15, 1892, his cousin Alice Barney Smith writes "....I am glad Will has a good wife. He will be so much better contented than living around to hotels."

He had a studio in Jasper until 1896, the year his mother died. At that point he & Mary Rovang King moved their family back to Jackson to live with & care for his father & provide a home for little 10 year old Mary, the surviving child of his first marriage.

He lived in Jackson the rest of his life, where he was well known as one of the earliest settlers and one of its best story tellers.

About 1898 he built a large frame home at the N end of Main St. in Jackson to house his studio & the Jackson Co. Pilot, at that point owned & edited by his brother John. The family lived on the second floor. Reginald George King was the first child born there. Willie & Mary still lived there all during RKF's childhood. (It was torn down sometime in the 1960's)

At various times he was Jackson's Fire Chief [see SOUVENIR OF JACKSON in files for photographs], City Assessor, & Justice of the Peace. But primarily he was a photographer, an artist who took many of the earliest pictures of the new towns of Jackson, Jasper & Hills, as well as others. His many surviving photographs show imagination and individuality rare for his time, especially those he took of children. His work is documented in a book now being assembled of the work of early photographers in the Sioux Falls, S.D. area. Many of his photographs exist, some in RKF's files, many held by other family members, some in historical societies in the towns mentioned, yet others on sale in at least one antique shop in Sioux Falls.

He loved literature, especially poetry and could recite volumes of it from memory. According to his youngest daughter Kittie, at night he would retire early to his bed and commit new poems to memory. He was a life-long Democrat, fascinated with politics and history. He was the author of many articles on the early history of Jackson Co., many of which were published in the Pilot.

His vision of life, articulated in his diary, which he kept off & on for 27 years (copy in file) encompassed much information about late 19th & early 20th century Minnesota life, such as swimming in a swimming hole & going to school in Austin in 1866; his first sight of Jackson, then just "a laid out plat for the village....not a building or a tree, just fresh burnt off prairie and the only thing to show was the stakes that marked the blocks & lots"; the first, false Armistice of WWI, & finally the real end of WWI. His last entry, on July 1, 1944, provides a fitting epitaph for his vision. He wrote " As I pick up this scrapbook and look it over I get some idea of how time is on the wing. Almost 26 years ago we were waiting for the end of World War #1 and now just as eagerly and more so than then we are waiting for the curtain to be rung down on World War #2 with the hope that it will be the last of wars. In the first war I had two sons one who was electrocuted shortly after getting back. The other died a few years..[unintelligible]...from the effects of gas he got in the war. Now in this war I have three grandsons and the fourth just enlisting and I at the ripeage of 87 the 9th of this month am marking time waiting for the return

of my grandsons and nephews. God grant that they may return safely." His death came 39 days later, without knowing that all of them would safely return.

Death: Jackson Co. Death Reg. Book F, p. 99, # C, 87 years 29 days. Cause of death " Diabetes mellitis/ Sunstroke" He was on his knees working in his garden when he was stricken, and died a day later. He had never in his life been a patient in a hospital before that day.

An artist, a raconteur whose stories extended back to the very beginnings of Jackson, a dreamer, a gentle and genial man, stone-deaf from about the age of 50, he was much beloved by his family and fellow citizens.

His philosophy of life was well articulated in an article he wrote for the JACKSON COUNTY PILOT the year before his death. The main focus of the article was his recollection of the first winter his family spent in Jackson (see FGR #10, his father's history). But he began by quoting an unnamed author: "Because I have loved life, I shall have no sorrow to die. I have sent up my gladness on wings, to be lost in the blue of the sky. I have run and leaped with the rain. I have taken the wind to my breast. My cheeks like a drowsy child to the face of the earth I have pressed. Because I have loved life, I shall have no sorrow to die."

Commenting on that first hard winter, he says "Today when I am told that I cannot have certain things [the article was written in the middle of World War II], I can tell them,'alright, I learned my lesson to go without things that I would have very much liked to have, during my first winter in Minnesota.' Out of that bunch of the early pioneers of Wisconsin Township, I only know of two who are alive today, myself and Alice Barney Smith [his cousin] now living in Pennsylvania"

"Today we meet with so many who are dissatisfied with the rationing of food and other things and I want to say to them that if they now had to go through what our folks had to contend with in the winter of 1867, they would think and know that they lived in the very best state in the union with good warm homes, plenty to eat, warm clothing and everything to be thankful for and willing to sacrifice in order to bring about everlasting peace not only to us of this land of plenty but to all the downtrodden people of the world."

"Last Wednesday evening I had the pleasure of attending the Presbyterian Diamond Anniversary and although my deafness prevented my hearing anything that was said or letters that were read, I had the pleasure of viewing the pictures shown upon the screen by Mayor Iverson, and it would be useless for me to try to describe the sensations and thoughts that passed through my mind as I looked upon the people and buildings of that long ago, for to that sturdy bunch of the early pioneers we of today owe all that we feel proud of in our county. I myself feel that life has been well worth living from the fact that I was privileged to live the greater part of my life in Jackson County. In conclusion let me quote from an unknown author:

'And Lord, may my shouts be ungrudging and clear,
A tribute that comes from the heart;
And let me not cherish a snarl or a sneer,

Or play any sniveling part;
Let me say "There they ride on whom laurels bestowed
Since they played the game better than I";
Let me stand with a smile by the side of the road,
And cheer as the winners go by.'

Until we meet again.

W.P.King"

Other marriages:
1 Jan 1882 Mary Elizabeth "Eliza" TRUMBULL-198

WIFE - Marit (Mary) ROVANG-21

B/Chr: Family known to have been in Big Canoe Settlement at the time of her birth. Personal search by RKF in 1990 of Decorah & environs produced much data, including christening record for her older sister Sigrid but no record of her birth found to date. In the fall of 1874, moved with her family at age of 3 to a homestead farm on the East bank of Mud Creek, one mile south of what is now Hills, Minn. There she lived in a sod hut for several years, until a wood home was finished. She attended country school nearby.

In 1889-90,she moved to Sioux Falls,S.Dak., where she is listed in the City Directory of those years as Rovang, Mary Domestic, F.W. Pettigrew, Real Estate, res. Vine, NW cor Garfield Ave. (His office is listed at Phillips Ave. NE cor. 9th.). Today (1992) the F.W. Pettigrew Museum in Sioux Falls is a large stone Victorian house, once the home of Mr. Pettigrew's brother, who left it as a memorial museum to Frederick W.. Unfortunately the museum was closed on the day (Monday) when RKF/JGF were there, so we were unable to explore it. However, the director of the Pipestone Historical Society is certain that the domestic help of Mr. Pettigrew have been documented & further research may yield more information.

Mary's sister is also listed in the Sioux Falls City Directory of 1889-90 as Rovang, Sarah, Domestic, 427 W 10th. Sarah is listed again in the 1890-91 directory: Rovang, Sarah, Domestic, 524 S. Spring Ave. Mary does not appear in the subsequent city directories, & as yet it is not certain whether by then she had moved to Jasper, or where or when she met Willie.

She was only member of her family not to marry a Norwegian. That plus the fact that he was much older (14 years), had previously been married and, even worse from her parents'point of view, was a DEMOCRAT, could account for the fact that they were married in Sioux Falls and not at home as all her sisters were. Also, according to Glays Paulson (her sister Betze's daughter), Mary was engaged to marry a farmer in Hills before she met Willie.

After her marriage she devoted herself entirely to caring for her family. An excellent cook & housekeeper whose daughter (Kittie) remembers to this day her mother's incredibly high standards for ironing, she was a strong-willed but quiet woman who seldom left her home. According to her obituary [JACKSON COUNTY PILOT July 1, 1948] she was a member of the Women's Relief Corps, the Royal Neighbors of America, & the American Legion Auxiliary.

HUSBAND Willie Porter KING-20 Yr of Birth 1857
WIFE Marit (Mary) ROVANG-21 Yr of Birth 1871

Death: Jackson Co. Reg. Book G,p.55,#3.. Father Gilbert T. Rovang b. Norway; Mother Anne Westlie b. Norway.

Burial: Service was held at 3PM at the Sathe Funeral Home, service conducted by Rev. Paul B. Shedd & Rev. L.H. Schock.(See Memorial card in file)

CHILD 1 - Grace Pauline KING-22

Born in Jasper where her father had a photography studio. Subject of many of his photographs of children. At age 3 she moved to Jackson with her family, and lived there the remainder of her life, 92 years, becoming one of Jackson's longest lived and most cherished citizens.

Marriage: Jackson Co. Marriage Rec. Book F p 558.

Major source of family information. King family historian of her generation. Vance Freymann (grand-nephew) visited her & taped an interview with her during his junior year at Northwestern University (See file) in which she talks about Jackson & her family's early history. She was the last King to live in Jackson, and her death ended the period of 122 years (1866-1988) that the King family played a major role in development and history of the town.

She was an unusual woman of her time. An accomplished pianist, as a young woman she played the organ in the orchestra pit to accompany the silent movies in the Jackson theater. She joined the Presbyterian Church in 1908, & at her death was its oldest member. For many years she was the organist for the church, which her Grandmother Antoinette helped found. She was the first and only woman Postmaster (Frank Holecek was the Postmaster when he died). She was awarded the job, and held it from 1940 to 1963. She was an officer of and held 50 year pins from many organizations, among them Rebekah Lodge, Eastern Star,American Legion Auxiliary,Girl Scouts. In 1968 she was selected as Senior Citizen of the Year for Jackson County & also for the State of Minnesota. For a number of years, after she herself was rather incapacitated by age and required the use of a walker, she initiated and then operated the small senior citizen center in Jackson, treating her clients with warm understanding. She would walk slowly back to her own home, two blocks away, each noon for her lunch in order to save the center's money, and never equated her own infirmities with those of her elderly clients. Indeed, she once remarked to her niece RKF that she thought " Old folks are a lot more difficult to deal with than adolescents"!! Many biographical sketches are available on her. (See file)

Unfortunately she was senile her last few years & unable to continue to communicate with her devoted family. She died at the Good Samaritan Nursing Home in Jackson. Her funeral service in the First Presbyterian Church was presided over by Rev. J. David Johnson. Her nephew Don King was one of her pallbearers.

CHILD 2 - William Vance KING-23

Born in Jasper where his father owned a photography studio. He is featured in many early childhood photographs.(See file) Named for his paternal grandfather William V. King. Grandfather was known to dislike his middle name, Vipen, so Vance may have been substituted in order to give this child the same monogram yet avoid the disliked name. (See FGR W V King, RIN#49, for details)

HUSBAND Willie Porter KING-20 Yr of Birth 1857
WIFE Marit (Mary) ROVANG-21 Yr of Birth 1871

Lived much of his childhood with relatives (Selah?? Rovangs??)in Jasper, again according to the published obituary. Was confirmed in the Norwegian Lutheran Church in Jasper. Returned to Jackson as a young adult, was employed there & lived with his parents.

Military Record: Voluntarily enlisted December 12, 1917, served in the Ordnance Corps as a cook, was soon sent to service in France & served there 11 months. (His father speaks of him in his recollective journal). Returned to USA May 1, 1918 & was honorably discharged at Camp Dodge April 5, 1919.

He returned to Jackson & went to work as a lineman for the telephone company. He was engaged to a nurse from Chicago named Agnes Lee. (Nellie King has her photograph).

He was killed in a tragic accident the summer after he returned from the army. A headline article in the Jackson County Pilot (Number 50 Friday, Aug. 22, 1919 See file) states:

" Last Friday morning Vance King was repairing a telephone wire. He was working on a pole in the west part of town just across the street east of the Rev. Knutson residence. Electric light wires 2300 volts were also fastened to this pole. In some way he touched these wires and immediately was powerless to move of his own accord. He fell back against the wires and this strong electric current ignited his clothing which started to burn. Several people arrived on the scene and Rev. Knutson put in a phone call for the power house so the current could be shut off. It was nearly five minutes before the telephone connection was madeand in the meantime those who had arrived at the scene of the accident were unable to be of any assistance. The current was finally turned off and the body was taken from the wires by means of a rope. At first it was thought that Vance was dead but he began to struggle from the agony of severe burns. He was taken to the office of Dr. Portmann and every medical aid was given him. He survived only a few hours and suffered terribly from the burns which in some places were clear to the bone."

Death: Jackson Co. Reg. Book E, p. 136, # 98. Age 24 years, 6 months, 10 days. Occupation telephone lineman. Cause of death " Electrolasis, accidentally coming in contact with charged line while at work as lineman".

His funeral was held on Saturday afternoon, August 16. All the stores in Jackson closed at that time. The service was conducted in the Presbyterian Church by Rev. Schock. Relatives present from out of town were: G.T. Rovang, grandfather; Tosten Rovang, uncle; Mrs. Knute Helle, aunt [Sarah Rovang]; Mrs. John Helgeson, aunt [Anna Rovang], & her son & daughter, all of Hills, Minn., and Selah King, uncle, Flandreau, S. Dak.

RKF's father, George King was deeply affected all his life by this terrible death, as indeed was his whole family. Photographs (in file & in possession of Vance Gordon King Freymann) show him to be a handsome, stapping young man, & he seems to have been loved by all. A final quote from his obituary says " Vance King will be missed by everyone who knew him. He had a pleasing, carefree disposition, always seeing the comical side of everything. When he thought his

country needed him he entered the service and gave the best he had. He made the supreme sacrifice to country and to duty. The pity of it is that this young man should be taken at a time when he had just stood the test of character and citizenship and was ready to reap the blessing of many years of happiness."

CHILD 3 - James Hilton Porter KING-24

He was first King child of his family to be born in Jackson. No doc found to date in Jackson Co. Rec., but his grandmother's death & his parents' return to Jackson makes it most likely he was born in Jackson.

Named James for his paternal Great-Great-Grandfather; Hilton for his paternal Great-Grandmother, Hannah Hilton; and Porter for his paternal Grandmother, Antoinette Louise Porter (whose death 7 months before his birth precipitated his family's move back to Jackson from Jasper) . Lived in Jackson until he enlisted in army during WWI.

Served overseas in WWI for several years. Mentioned warmly in his father's recollective journal. Developed tuberculosis as a result of being gassed in a trench in France.

His reputation within the family as a warm and much loved son & brother is poignantly illustrated by a postcard (see file) he sent 3 June 1933 to his brother George from a VA hospital in Tuscon, AZ. The picture on the front of the card is of the hospital. Addressed to "Dear Geo & Rena & Kiddies," his message was "This is the resort I am stopping at this summer. Kind of neat don't you think so........Pretty little girl to make my bed every morning & give me a bath twice a week. As ever, Bro & Uncle, Jim".

His sister Kittie King McGrady, in an interview with RKF [July 1992], indicated that his health problems were compounded by his wife's beliefs, based on Christian Scientism, that he should not be hospitalized or treated medically. Also, she was emotionally unstable (indeed she was in a mental institution and may have been unaware of his death when it occurred). According to Kittie, his friends finally persuaded him to enter the Veteran's Hospital in Glendale, CA where he subsequently died.

His sister Grace made three trips to see him during his last years; her husband Frank Holecek, son Boyd and his brother George all also visited him.
visited him.

Not certain where he was buried, prob. California

Death: Died in her daughter's home after a long illness from cancer. A letter from her son Bill, written to RKF about a week before her death, says"It is sad to see her now as she is so frail and weak. She knew me but spoke very little. HUSBAND Knut G. KVALE-192 Yr of Birth 1863
WIFE Betze Maria ROVANG-128 Yr of Birth 1875

HUSBAND - Knut G. KVALE-192

Died at an early age after a long struggle with cancer.

WIFE - Betze Maria ROVANG-128

Born in a sod house on the East bank of Mud Creek, Martin Twp.,Rock Co., Minn. First member of her family to be born in Minnesota, after her parents migrated there from Decorah. A perpetual student & teacher, she was a graduate of Augustana College in Sioux Falls, So.Dak., & also took numerous courses at the Univ Minn, Luverne, Mankato, & many correspondence courses. At the age of 17, she was a pioneer schoolteacher in the Hills schools. She was often younger than her pupils, who were frequently newcomers to America, or boys who had to stay home for long periods to do farm seasonal work schoolteacher in Hills area. Our files have many letters & testimonials from her former supervisors & pupils, also her written recollections of education in the early years in Hills. It seems so appropriate that Rolvag's book "Giants In The Earth" was set in 1875, the year she was born.

She was born on the day her Grandfather Thorstein Nordsvin (Torpe) Rovang, her father Gulbrand Rovang's father, died in Norway.

Lived c̄ GrGr Rovangs after
husb died (v Gladys) what years?
Did she earn a living?

The whole Freymann family visited her in a nursing home in Hills in 1965 when she was a very old lady. (Photograph in file of Rena King, Ruth Freymann & all the children taken by JGF.) That day we also showed our children their Great-Great-Grandparents' home, still looking much as it had in RKF's childhood. Aunt Betze was still immaculately dressed and wore a lace apron over her dress. Her room was filled with her furniture & personal effects, photo albums & mementoes. One of the things she showed us was a picture post card of a familiar sight to us,the RR station at Hell, just across the bay from Stjordal, which is the site of the Husby farm we had visited. But she couldn't remember anything about it!! She was then 89 & lived there in remarkably good shape until she died at age 95.

She was a remarkable woman of her time, & there is much additional information about her in the Rovang file.

Doc: Obit, numerous writings, Gladys Paulson's Rovang records.

CHILD 1 - Gladys Ada Bernice KVALE-191

Doc: Her own notes/research

As of mid-1992, lives at 211 Center St., Lake Benton, Minn. 56149. Has done a major study of both of Rovang & Kvale genealogy. Particularly interested in the Quaker influence on early Rovang ancestors, especially the parents of her grandfather [RKF Great-grandfather] Gulbrand Torstensen Rovang. (RIN# 124) Has written many articles & papers, including several published in the centennial publication HILLS OUR TOWN 1890-1990. RKF & JGF visited her in June 1990, & again in 1991, & gathered much valuable data. Several taped interviews with her are in Rovang file.

She was born the same year her Great-Grandmother, Anne Helgesdatter Rogen (the Quaker), died & was buried in Bethlehem Cetetery at Hills.

He was born on the Hoyme Homestead, the N.E.1/4 of Section 31. He was educated in rural & parochial religious schools. He also attended the University of Minnesota Agriculture College during a winter session. He farmed all his life.

Marriage took place at the Ellis & Nickolena Nelson Colby home which had been homesteaded by Erick Colby. Then Emil & Emma moved to the Hoyme homestead.

WIFE - Ella COLBY-3557
Doc: GKP notes; Centennial Pub HILLS OUR TOWN

One of 10 children born to Mr. & Mrs. Ellis Colby.

Educated in rural & parochial schools. Excellent seamstress, sewed for families. Skilfull gardener, planted a tree at age 85. Both lived in Tuff Nursing Home the last 3 years of their lives, died within 7 months of each other.

An interesting anecdote involving her is detailed in HILLS OUR TOWN, p. 82 "As a child...she...was herding cattle with her brother when two strange looking riders came along. They had beautiful horses and they were gaudily dressed. Soon a couple of other men came along and asked if they had seen any riders passing by. One of the men told them he was the sheriff from Luverne and the men whom they had seen were the James boys." [The Jesse James gang were notorious robbers who held up many banks in that area.]

Ella & Emil had 10 grandchildren & one great-granddaughter at the time of their deaths.

This is "Cousin Juliet", who seemed so old & sophisticated to me when she showed Don, Bob & me around Hills when she was a teenager & we were little kids. I remember asking her where Main Street was & she said "You just passed it ". I thought that was terribly clever of her. It was also true--the town was so small we had not noticed that we had walked through it.

Farms the Kvale homestead. According to the Centennial pub. HILLS OUR TOWN, p. 22, ..."What is now the kitchen of the Vernon Kvale home is a part of the original house believed to be constructed in 1907. Another part of the original dwelling is being used as a tool shed. This 160 acre farm, described as the S.E.1/4, section 4, Martin Twp., was homesteaded by Gulbrand Jorgerson Kvale in 1876, according to Homestead Cettificate # 7150...The farm was passed on to Knud Kvale and his wife Betze Rovang Kvale, and then to Vernon Kvale and his wife, Nora. Nora & Vernon's son, Gregory, has been farming with his father since 1972. In addition to the usual farm products, the Kvales breed purebred Poland and Duroc hogs".

??her age for this to have been a first birth. Need to check source(s). GKP data says she born "about 1767", which would have made her 28. If 1755 correct, she'd have been 40.

WIFE - Marit Gunnarsdatter ODEGAARD

Norway Census of 1801 lists her husband in his second marriage with 2 children by second wife. Therefore her death occurred after birth of their child--Marit Gjermundsdatter (RIN#177) & before birth of first child by second marriage.

GKP data says she born "about 1767", which would have made her 28. Working assumption is that she had only one child and died soon thereafter. Needs further research

CHILD 1 - Marit Gjermundsdatter ROGN

BIRTH: The 1801 Norway Census gives her age as 6. According to the Bygdebok (local history book) (pages copied by GKP) her family were the farmers of Rogn from ancient times.(1801 Census shows that to be through her father's mother's family)

Her mother Marit Gunnarsdatter Odegaard, died when she was very young. Her father was remarried, to Marit Thomesdatter and had two known children with her:Gunder, born 1798 and Randi, born 1801. Marit grew up on the Rogn farm.

MARRIAGE: On November 3, 1814, she married Helge Tomassen Torpe. When he married Marit he took over the farm and name became Rogn. At the time of their marriage she was 19 and he was 30. Between February 1815 and February 1843 they became the parents of ten children: Thomas, Anne,Gunder, Kirsti, Beret, Ole, Gjermund, Ole, Berit, and Marit. Of these Gjermund is known to have died in childhood and Beret may also have died in childhood. Five are known to have emigrated to America: Thomas in 1848; Kirsti in 1861; Anne and the younger Ole in 1866; Marit in a year as yet undetermined.

Helge died in 1844 at the age of 60, when the youngest child was only 17 months old. With the help of her grown children, Marit managed the farm for another 17 years. [More research is needed]

In 1861 she emigrated to America with her daughter & son-in-law, Kirsti & Gulik Gullikson, and possibly Marit, her youngest child. They sailed from Bergen and landed in Quebec. [Needs further research] They settled in Springfield Township, Winnieshiek County, Iowa, one of the earliest Norwegian settlements. As far as is known she lived there for the remainder of her life. The 1870 census shows her living with her daughter Kirsti & son-in-law Gulik Gullikson. Her name is listed as "Germandsdtr." (her father's name), her age is given as 75.

DEATH: Her death occurred some time after the 1870 census & before the 1880 census. Her place of burial is presumed to be in Springfield Township, but as

HUSBAND Helge Tomassen (Torpe) ROGN-176 Yr of Birth 1784
WIFE Marit Gjermundsdatter ROGN-177 Yr of Birth 1795

HUSBAND - Helge Tomassen (Torpe) ROGN-176

Doc: Parish Records Marriage (Oppland MF 125645 Bk 7 p 193); children's christenings(see file for Thomas Helgesen Rogn & Anne Helgesen Rogn chr.) All other information from notes taken by GKP. She obtained data from archivist named Tore Felch, who got it at Christmas, 1984 during a visit to Norway. (See file for letter).

Not listed in 1801 Norway Census under Torpe or Rogn--would have been 17 years old. Research questions: Are there more than one Torpe farms; or,? find other Rogn farms, or search rest of census for Vang.

Marriage: Witnesses: Ole Nielsen Lilli Jevne; Thomas Thomassen Morager. [Ole Nielsen in 1801 Census on Lille Jevne as Tienestefolk (servant), age 15. Thomas probably his brother]

Lived on Torpe as young adult, had that name at time of marriage. Became Rogn when he married Marit & took over the farm. Children all had Rogn, later it was changed to Rogen by those who emigrated to the USA or Canada

WIFE - Marit Gjermundsdatter ROGN-177

Doc: 1801 Norway Census (MF 6200920 Side 1 02 Rogn) gives age as 6. According to the local history book (pages copied by GKP) her family were the farmers of Rogn from ancient times.(1801 Census shows that to be through her father's mother's family)

CHILD 1 - Thomas Helgesen ROGN-2312

Doc: GKP notes/research; Bpt. rec. Vang Par Reg (MF Oppland 125645 Bk 4 pg 10); Vesterheim files (see file for copies)

Chr: Witnesses were Anne Thomasdtr. Lerohl; Margrethe Helgesdtr. Lille Jevne; Johannes Gundersen Kjarlien; Thomas Thomasen.

Emigrated to America on the ship STATSRAAD VOGT, arriving in New York on March 2, 1848. Known to have been accompanied by his 4 year old son Petrus; a letter written to Betze Rovang Kvale by his daughter Ragnild Nov. 21, 1909, after his death, speaks of her mother, his second wife, as having accompanied him on his journey to America, which means they were married there. She (the daughter) speaks of her maternal grandfather as Halvor Roe or Rudi, and asks if the Rogn & Rudi farms were near each other. He was also accompanied by the son of his first marriage, a child about 4 years old named Petrus.

Much of the information about Thomas Rogn comes from the two letters written by his daughter Ragnild (Mrs. B.E. Fitch), who wrote two letters to her cousin Gulbrand Rovang's daughter Betze Rovang Kvale (GKP's mother), the last one in 1909 or 1910. Mrs. Fitch wanted information from Annie Rogn Rovang (Thomas' sister) but, according to GKP's account, Annie "was too old by then and could no longer give any information. She died shortly thereafter". [Annie Rogn Rovang was 91 in 1909, died at age 92 in 1910]

In her letter (see file for copy), Ragnild gives many details about her own family, both her siblings and her children. She says of her father that he

Father's first wife Rangnild was converted by her (Hannah) and thought she was called to leave her young baby (undoubtedly Petrus) and go and preach. She went to Bergen, was imprisoned there and starved herself to death."

Thomas Rogn settled first in Iowa, and lived there, probably with or near the Gulliksens (his ~~father's~~ sister Kirsti & family) near Decorah. He later settled in Illinois. [GKP records listed his place of residence in Illinois as "Palatinate". Atlas shows name of town as recorded. Other may have been an early name??]

According to GKP, the daughter's letter said he died in 1864. Presume place was Palatine. Needs further research. ~~(Need to obtain copy of second letter from GKP)~~.

CHILD 2 - Anne Helgesdatter ROGN-134

Doc: GKP notes/research (Spelled name Rogen after coming to America)

Chr: Par Rec Vang Kirke Witnesses: Marith Thomasdtr. Rogn; Margrette Johnsdtr.; Gullich Andersen, Belsem; Ole Nielsen, Lille Jevne; Thomas Gullichsen Jevne (Vesterheim MF 125645 Bk 3 p 53. zerox copy in file)

[Marith Thomasdtr. is prob. the sister of Helge Thomasen, & both are siblings of Ole Thomessen Torpe, shown as owner of Torpe on Census; Ole Nielsen is Ole Nielsen is listed in 1801 Census at Jevne Lilli, age 15, Tienestefolk, or servant]

Born on Lille-Rogn--means Upper Rogn, according to some records--need to research that farm in Norway census for 1801 & later censuses.

According to GKP research, Anne & her husband were practicing Quakers for a number of years, and they were married in the Quaker church, which at that time was illegal in Norway. [The Lutheran Church was the State church]. They were officially married in the Lutheran Church at Vestre Slidre (see file for zerox copy) 11 years after the birth of their first child, their son Gulbrand. The minister wrote on Gulbrand's bpt. record that he was "this couple's first indiscretion", which puts some question marks around their marital status.

Blaine Hedberg, Acting Dir. of Vesterheim Gen. Center, insists the bpt. record would be marked accordingly if she were a Quaker, not a Lutheran. However, there is good [anecdotal] evidence that she was never a practicing Lutheran, that she was a Quaker, even a Quaker preacher all or most of her life, & the reason her official wedding date comes so much after the birth of her son is most likely related to establishing an official, legally acceptable marriage, for whatever reason. [Quaker weddings,births, deaths, etc., were not sanctioned

or recognized by the Norwegian Lutheran Church, the official state church.] Needs further research.

According to the Norwegian census returns of 1875, she was a widow living on one of the Rovang farms in Vestre Slidre, with her children: Tomas, born 1854; Ole, born 1854 (they were twins); Marit, born 1858, & Helge, born 1860.Her son, Gulbrand (RIN# 124) had previously emigrated, in 1866.

She sold the farm (gnr.27,bnr.5) April 1876, & emigrated to the US with her 4 children. At first she settled in Decorah, Iowa, with her eldest son Gulbrand; then in 1878, she & her son Tomas purchased land near Corson, Minnehaha Co., So. Dak. from John Hallgren, a Civil War veteran who had received this 160 acres in a Federal Land Grant signed by Pres. Rutherford Hayes on 30 Oct., 1877. Their first home was a sod hut. Later they built a small frame house located on the high bank just above the Split Rock River about one mile northwest of Corson. In 1901 they built the present house & barn, & she lived there for a few more years after Tomas died in 1906, with her son Ole Jr. & his wife Sena & their family. Finally she went to Hills to live with her only daughter, Mary Rovang Hoyme until she died at the age of 92.

On her church Memorial Record, her place of death is listed as Brandon Twp., Minnehaha Co., SD. (Was she possibly visiting family there when she died?) She was buried in Bethlehem Cemetery in Hills in the same plot as her son Tomas, who had never married..

CHILD 3 - Gunder Helgesen (Gunnar) ROGN-2313
Doc: GKP notes/research

??--why didn't he take over Rogn farm?? Did he go to Kjarlien farm of his wife? Assume he died in Vang in Norway--needs to be researched

CHILD 4 - Kirsti Helgesdatter ROGN-2314
Doc: GKP notes/research; daughter Betsy's obituary (see file)

Came to America in 1860 with her husband & children. Lived in Springfield Twp, Winnieshiek Co., pioneered there. Gulbrand & Anne Rovang probably lived near them until they migrated to Minnesota.

According to daughter's obituary, she had two more daughters than shown this family, possibly born in USA. Presumed to have died where she was known to have lived. Needs further research

CHILD 5 - Berit Helgesdatter ROGN-2315
Doc: GKP notes/research

May have died as infant or child (see later sibling with same name born 1837)

Not sure this child ever existed. Only doc. to date is in GKP notes. Birth year not certain. Listed in GKP notes as 183?,had to be before 1834. No further

Doc: Chr: Oppland MF 307321 Bk 134 pp 26-27; GKP notes/research

Twin of Berit (RIN# 2319).

GKP thinks he was a Quaker & probably married in a Quaker church in Norway (or not at all, following Quaker beliefs & possibly unable to be married because the Lutheran Church was the state church & Quakerism was forbidden.) He & his first wife had a son named Endre. They divorced, & both emigrated to America on April 25, 1866 on the same ship, the former wife with her new husband. According to GKP, the son was also on the ship.

The ship was the FREDERICK PETERSON, the same ship on which Gulbrand & Anne Rovang came. He landed at the port of Quebec in June 1866. He is listed on passenger list as Ole Helgesen Rogn, age 28

His Intent to Naturalize paper (see file for copy) was filed 6 Nov 1876 in Rock Co., Minn., on the same date & in the same court as the paper filed by his nephew, Ole Tostensen Rovang.

Death: Known to be after 4 May 1892, date on last will & testament as filed with Probate Court, Rock Co, Minn. (Vol A Will Record)

CHILD 9 - Berit Helgesdatter ROGN-2319
Doc: GKP notes/research. One of twins (see brother Ole,RIN # 2318)

CHILD 10 - Marit Helgesdatter ROGN-2320
Doc: GKP notes/research

According to GKP notes "Mother of Minnie Gjevre--Grandmother of Tedford Iverson.". Question mark by death year.

Gladys remembers her well from visits she made to Hills. She was Gulbrand Rovang's aunt (his mother's sister), although she & Gulbrand were almost exactly the same age [she was less than a year younger than he--25 years younger than her older sister, Gulbrand's mother]. Gladys remembers being puzzled that "Aunty Gjevre" seemed so young, although she was her (Gladys') Great-Aunt.

Possibly lived in Decorah, Iowa. Try searching for her there

He was also accompanied by the son of his first marriage, a child about 4 years old named Petrus.

Much of the information about Thomas Rogn comes from the two letters written by his daughter Ragnild (Mrs. E.E. Fitch), who wrote two letters to her cousin Gulbrand Rovang's daughter Betze Rovang Kvale (GKP's mother), the last one in 1909 or 1910. Mrs. Fitch wanted information from Annie Rogn Rovang (Thomas' sister) but, according to GKP's account, Annie "was too old by then and could no longer give any information. She died shortly thereafter". [Annie Rogn Rovang was 91 in 1909, died at age 92 in 1910]

In her letter (see file for copy), Ragnild gives many details about her own family, both her siblings and her children. She says of her father that he "was arrested and imprisoned twice in Norway on account of his religious belief, once for refusing to be a soldier, the other time I do not know what for......there was a queer religion taught by a woman named Hannah in father's early life....ask her(Anna Rogn Rovang, Betze's grandmother, sister of Thomas) if that was Quakerism or what it was. Father's first wife Rangnild was converted by her (Hannah) and thought she was called to leave her young baby (undoubtedly Petrus) and go and preach. She went to Bergen, was imprisoned there and starved herself to death."

Thomas Rogn settled first in Iowa, and lived there, probably with or near the Gulliksens (his father's sister Kirsti & family) near Decorah. He later settled in Illinois. [GKP records listed his place of residence in Illinois as "Palatinate". Atlas shows name of town as recorded. Other may have been an early name??]

According to GKP, the daughter's letter said he died in 1864. Presume place was Palatine. Needs further research. (Need to obtain copy of second letter from GKP).

HUSBAND - Thomas Helgesen ROGN-2312

Doc: GKP notes/research; Bpt. rec. Vang Par Reg (MF Oppland 125645 Bk 4 pg 10); Vesterheim files (see file for copies)

Chr: Witnesses were Anne Thomasdtr. Lerohl; Margrethe Helgesdtr. Lille Jevne; Johannes Gundersen Kjarlien; Thomas Thomasen.

Emigrated to America on the ship STATSRAAD VOGT, arriving in New York on March 2, 1848. Known to have been accompanied by his 4 year old son Petrus; a letter written to Betze Rovang Kvale by his daughter Ragnild Nov. 21, 1909, after his death, speaks of her mother, his second wife, as having accompanied him on his journey to America, which means they were married there. She (the daughter) speaks of her maternal grandfather as Halvor Roe or Rudi, and asks if the Rogn & Rudi farms were near each other. He was also accompanied by the son of his first marriage, a child about 4 years old named Petrus.

Much of the information about Thomas Rogn comes from the two letters written by his daughter Ragnild (Mrs. E.E. Fitch), who wrote two letters to her cousin Gulbrand Rovang's daughter Betze Rovang Kvale (GKP's mother), the last one in 1909 or 1910. Mrs. Fitch wanted information from Annie Rogn Rovang (Thomas' sister) but, according to GKP's account, Annie "was too old by then and could no longer give any information. She died shortly thereafter". [Annie Rogn Rovang was 91 in 1909, died at age 92 in 1910]

In her letter (see file for copy), Ragnild gives many details about her own family, both her siblings and her children. She says of her father that he "was arrested and imprisoned twice in Norway on account of his religious belief, once for refusing to be a soldier, the other time I do not know what for......there was a queer religion taught by a woman named Hannah in father's early life....ask her(Anna Rogn Rovang, Betze's grandmother, sister of Thomas) if that was Quakerism or what it was. Father's first wife Ragnild was converted by her (Hannah) and thought she was called to leave her young baby (undoubtedly Petrus) and go and preach. She went to Bergen, was imprisoned there and starved herself to death."

Thomas Rogn settled first in Iowa, and lived there, probably with or near the Gulliksens (his father's sister Kirsti & family) near Decorah He later settled in Illinois. [GKP records listed his place of residence in Illinois as "Palatinate". Atlas shows name of town as recorded. Other may have been an early name??]

According to GKP, the daughter's letter said he died in 1864. Presume place was Palatine. Needs further research. (Need to obtain copy of second letter from GKP).

Other marriages:

Abt	1844	Rangnild-4986	MRIN: 1400

WIFE - HALVORSDATTER-4985

Doc: Letter from her daughter Ragnild to Betze Rovang Kvale dated 21 Nov 1909 (see copy in file)

Ragnild speaks of her grandfather Halvor Roe or Rudi, from a farm near Rogn

She probably died when her daughter was very young, as she (Ragnild) writes, "I have always wanted to know more about my mother and her family.....and if there are any relatives left in Norway. I have an aunt in this country on my mother's side, but do not know where or whether she is alive yet. I think she came over the ocean the same year your parents did. [ED:1866]. I don't remember her name. I remember father giving her a calico dress and she went to relatives in Minnesota.....it was in 1864, I think, during the war."

About her mother, Ragnild further asks her cousin to see whether her Aunt Anna (Rogn Rovang) can tell her.."how long father and mother were on the way to America and if she knows how old mother was when she died. I have the spinning wheel Mother brought over from Norway with her in 1848. When father left the home in Iowa he gave it away to a neighbor, and I got brother Henry to hunt it up and buy it back and ship it to me." [This passage would seem to prove that this couple was married in Norway before 1848, and came together that year on the STATSRAAD VOGT.]

CHILD 1 - Rachel H. ROGN-2441

Doc: Her letter(s) to her cousin, Gulbrand Rovang's daughter Betze Rovang Kvale; GKP notes/research

Her name on the Illinois 1900 census is "Rachel H.". Name was probably anglicized from "Rangnild Roe", which is the name recorded in Gladys Paulson's records. Gladys thinks she was named for her father's first wife, and the first letter to her cousin Betze is signed "your cousin Rangnild Rogn"

Wrote two letters to Betze Rovang Quale in 1909 or 1910, seeking genealogical information from their mutual grandmother,Anne Rogn Rovang, who was by that time,according to Gladys Paulson, "too old & no longer able to give information, & who died shortly thereafter". It was from these letters that Gladys learned enough to start her research of the family history & Quaker connections. (Letters now in possession of Gladys Paulson--copies of two in Rovang file).

Rangnild was familiar with her father's history & was herself named for Quakers. Her daughter attended Quaker schools. In addition to her brother Henry, she had two sisters & another brother, and she gave many details of them in one of her letters.

CHILD 2 - Henry (Rogn) HELGESEN-2442

Doc: GKP notes/research; his sister Ragnild's letter dated 21 Nov 1909 (see file)

Dropped the Rogn (farm) name &, like so many Norwegians, used a patronymic as his last name, but not his father's. The name by which he was known as an adult was Henry Helgesen, the patronymic of his paternal grandfather, for whom he was. named.

Was a 3-term United States representative from North Dakota.

HUSBAND Thomas Helgesen ROGN-2312 Yr of Birth 1815
WIFE HALVORSDATTER-4985 Yr of Birth

According to Ragnild, in 1909," Henry, my oldest brother, has not been very well for the last year or so. Their two oldest sons and the oldest daughter are married. One son lives in Vancouver, Wash., the other son and daughter live in Dakota near them."

CHILD 3 - Mary ROGN-4982

Doc: Letter from her sister Ragnild. (See file)

Living in Utah in 1909, had lived there for the two previous years. Expected to "come East and live in Chicago after this. She is just now in California. She expects to take up nursing as a profession after this."

CHILD 4 - Bessie ROGN-4983

Doc: Letter from her sister Ragnild dated 21 Nov 1909 (See file)

"Bessie's family were all well the last I heard from them. They are still in Chicago. The two oldest girls are stenographers and the rest of the children are all in school. Mary's boy is living with them. Bessie has a very nice family."

CHILD 5 - Albert ROGN-4984

Doc: Letter from his sister Ragnild dated 21 Nov 1909. (See file)

"Albert, the youngest brother, lives in Crookston, Minnesota. He has three daughters, and nice, bright girls they are.

Interesting to note that Crookston is within a few miles, in the same county, as Erskine, Minnesota, home of his first cousin Henry Tostensen Rovang, later known as either Henry Gilbertson or Henry Erskine; and possibly also the home of Henry's brother Ole. Needs further research!

Farmed Rogn farm after marriage to Kirsti. Emmigrated to America with wife and family about 1860. Pioneered in Springfield Twp, Winnieshiek Co, Iowa. Presumed to have died there

Used patronymic as last name, apparently anglicized it to Gullikson. (See Betsy's obit.)

Doc: GKP notes/research; daughter Betsy's obituary (see file)

Came to America in 1860 with her husband & children. Lived in Springfield Twp, Winnieshiek Co., pioneered there. Gulbrand & Anne Rovang probably lived near them until they migrated to Minnesota.

According to daughter's obituary, she had two more daughters than shown this family, possibly born in USA. Presumed to have died where she was known to have lived. Needs further research

Papers filed under name of Gullik J. Rovang, but this is certainly him. Search of ship's records may provide information whether other family members accompanied him.

CHILD 4 - Berit Gulliksdatter (Betsy) GULLIKSON-2329
Doc: GKP notes/research; her own obituary (see file for copy)

Came to America with her parents and siblings when she was 2 1/2 years old, about 1861. Lived her entire life in Winnieshiek Co, most of it in Springfield Twp. presumably on her parents' farm. Lived last 12 years of her life with her "nephew and niece", Mr. & Mrs. Melvin Graves of 602 East Main St., Decorah.

Died at Decorah Hospital of pneumonia after a fractured hip

Funeral service held from Fjelstul funeral home, pastor officiating was Rev. Milford Hendrickson. Obituary states she was preceded in death by "all of her

Twin of Berit (RIN# 2319).

GKP thinks he was a Quaker & probably married in a Quaker church in Norway (or not at all, following Quaker beliefs & possibly unable to be married because the Lutheran Church was the state church & Quakerism was forbidden.) He & his first wife had a son named Endre. They divorced, & both emigrated to America on April 25, 1866 on the same ship, the former wife with her new husband. According to GKP, the son was also on the ship.

The ship was the FREDERICK PETERSON, the same ship on which Gulbrand & Anne Rovang came. He landed at the port of Quebec in June 1866. He is listed on passenger list as Ole Helgesen Rogn, age 28

His Intent to Naturalize paper (see file for copy) was filed 6 Nov 1876 in Rock Co., Minn., on the same date & in the same court as the paper filed by his nephew, Ole Tostensen Rovang.

Death: Known to be after 4 May 1892, date on last will & testament as filed with Probate Court, Rock Co, Minn. (Vol A Will Record)

According to GKP notes "Mother of Minnie Gjevre--Grandmother of Tedford Iverson.". Question mark by death year.

Gladys remembers her well from visits she made to Hills. She was Gulbrand Rovang's aunt (his mother's sister), although she & Gulbrand were almost exactly the same age [she was less than a year younger than he--25 years younger than her older sister, Gulbrand's mother]. Gladys remembers being puzzled that "Aunty Gjevre" seemed so young, although she was her (Gladys') Great-Aunt.

Possibly lived in Decorah, Iowa. Try searching for her there

HUSBAND - Elmer E. FITCH-2443

Doc: GKP notes/research; letter from his wife (see file);US Census 1900 & 1920

Descended from a family that came to America in 1638, according to his wife. (Letter to Gladys Kvale Nelson, her cousin). Had ancestors who fought in the Revolution, belonged to the DAR.

US Census 1900 for IL,Henry Co, Galva Twp.,Galva Town Vol 94, E.D.10, Sheet 3, Line 35:

Fitch, Elmer E., b. Aug 1846, age 53, b. Ohio, Fa b Ct, Mo b. OH, occ. Publisher
Rachel H., b. Apr 1850, b. Wis, age 50, Fa & Mo b. Norway
Geo. H, son, b. June 1877,age 22, b. Ill
R.Louise, daughter, b. Sept 1878, age 21,b. Ill
Robt. H., son, b. Jan 1881, age 19,b. Ill
Carlson, Hulda, servant, b. Sweden May 1880, age 20

Apparently lived in Galva, Illinois, until about 1905, when he was elected County Clerk and moved to Cambridge, 13 miles from Galva.(Is Cambridge the county seat?)

US Census 1920 for IL, Henry Co, Cambridge, Vol 151, E.D.116, Sheet 8, Line 18:

Fitch, Elmer E., widower, living alone, age 73, b. Ohio

Son Robert in the same census was living nearby in Peoria. (see his FGR). No George or Louise in Illinois census that year.

WIFE - Rachel H. ROGN-2441

Doc: Her letter(s) to her cousin, Gulbrand Rovang's daughter Betze Rovang Kvale; GKP notes/research

Her name on the Illinois 1900 census is "Rachel H.". Name was probably anglicized from "Rangnild Roe", which is the name recorded in Gladys Paulson's records. Gladys thinks she was named for her father's first wife, and the first letter to her cousin Betze is signed "your cousin Rangnild Roen"

Wrote two letters to Betze Rovang Quale in 1909 or 1910, seeking genealogical information from their mutual grandmother,Anne Rogn Rovang, who was by that time,according to Gladys Paulson, "too old & no longer able to give information, & who died shortly thereafter". It was from these letters that Gladys learned enough to start her research of the family history & Quaker connections. (Letters now in possession of Gladys Paulson--copies of two in Rovang file).

Rangnild was familiar with her father's history & was herself named for Quakers. Her daughter attended Quaker schools. In addition to her brother Henry, she had two sisters & another brother, and she gave many details of them in one of her letters.

CHILD 1 - George Helgeson FITCH-2445

HUSBAND Elmer E. FITCH-2443 Yr of Birth 1846
WIFE Rachel H. ROGN-2441 Yr of Birth 1850

Doc: GKP notes/research

According to his mother's letters (now in possession of GKP), he was an editor & a nationally known columnist. In a letter dated 21 Nov 1909, she wrote "George writes a good deal for different magazines. You may have seen and read some of his articles. He has written for the Ladies Home Journal, The Saturday Evening Post, Colier's(sic) Weekly and The American Magazine. He bought a nice home in Peoria where he is managing editor of a daily paper and nearly paid for it with his magazine money."

In another letter (copy yet to be obtained), she wrote that some of his columns were the basis for a Paramount movie, "Those Were the Days", which appeared after his early death & premiered in his hometown in Illinois." [Needs further research!]

He was not in the 1920 Soundex for IL
Death date presumed after date given from letter his mother wrote to Betze Rovang Kvale.

CHILD 2 - R. Louise FITCH-2444

Doc: GKP notes/research; letter(s) from her mother, Rachel (Rangnild) Rogn Fitch.

Her mother wrote (in letters to her cousin Betze Rovang Kvale)that Louise "Graduated from Knox College in June 1902. Took a prize of $25 for extemporaneous debate and has made a 4 year course in less than 3 years."

In another letter, she apparently wrote that Louise was Dean of Women at Cornell College (Mount Vernon IA or Ithaca, NY ?? Needs research.)

In another letter dated 21 Nov 1909, Rachel wrote about her daughter that "Louise is at home [Cambridge, Illinois] with us now most of the time. She is librarian of the city library and has some other work also, but she helps some with the housework and is with us. She has not been at home much for 10 years and it is certainly good to have her here."

Through her father's ancestral line, she was a member of the DAR. Her mother also mentioned she was a member of "Daughters of the Vikings." May be research clues.

She is not in the 1920 Soundex for IL or IA. Did she marry? Needs research

CHILD 3 - Robert H. FITCH-4988

Doc: Letter from his mother (see file) . She wrote "Robert lives in St. Louis Jct. [did not name a state, which makes it likely this was at that time a town in Illinois. Needs research.]

1920 US Census IL, Peoria Co, Peoria City, Atlantic St., 18020367, Vol 209, ED 71, Sheet 2, Line 34:

Fitch, Robert H., age 38, b. IL; Mary Jane, 36, b. NE; Mary Louise, 12, b. MO; Rachel, 10, b. MO; Jane, 6, b. IL; Frances, 3 6/12, b. IL

WIFE Sigri Knutsdatter RIDSTE-1286 Yr of Birth 1814

HUSBAND - Halvor Nielsen WESTLIE-1285

Doc: GKP notes; family records

Westlien was a very small farm. The 1801 Census shows only one household where his family had apparently been the owner-farmers for generations.

No information to date about where/when he died. Needs further research.

WIFE - Sigri Knutsdatter RIDSTE-1286

Doc: GKP rec.

No information to date about where or when she died. Needs further research

Many clues may be provided by following through on information below. See file for intent to naturalize papers filed in Rock Co. by four later Ristes:

> Ole O., b. 1843, emigrated to USA May 1878, landing at port of Quebec, living in Rock Co. in 1878; Iver, b. 13 Sep 1884, emigrated to USA 3 Apr 1911 on theship BALTIC, living in Hills in 1913; Ole Knudtson, b. 10 Jan 1881, emigratedto USA 15 July 1907 on ship BALTIC, living in Martin Twp, Rock Co, in 1910; & Tosten,b. 1872, emigrated to USA Apr 1892, living in Rock Co in 1896

CHILD 1 - Anna Halvorsdatter WESTLIE-125

B/Chr: On church records her name is spelled "Anne", a fairly common spelling in that part of Norway. But in this country at least, she seems always to have spelled it "Anna".

The farm name, & therefore her family name was Westlien--meaning west bank or side. The spelling was changed to Westlie by those who came to America. Anne came from one of the three Riste farms. (Riste was her mother's farm & family name). One of the Riste farms was sold out of the family. The Westlie's and the Riste's lived on the other, bottom side of the fiord (Vestre Slidre). You cross at the Riste Bru (bridge). Rovang was on the top side of the fiord, on the main highway from Oslo to Bergen-Europa 68.

Marriage: PR Vestre Slidre Church. RKF & JGF saw the original on a 1963 visit to the church but unfortunately at that time didn't think to get a copy or photograph! (See description below)

She was a stereotypical Norwegian immigrant lady, in her granddaughter Gladys Kvale Paulson's words a " quiet, tiny, wrinkled "wren" of a woman, always peeling apples or potatoes or else making rugs". RKF, her great-granddaughter, well remembers her from trips to Hills when she was a little girl. My special memories have to do with her sitting in her beloved grape arbor behind the house, and the peppermints she would give me from the deep pockets of her apron. Typical of many women of her culture, she never was able to wean herself from the pipe it had been culturally acceptable for her to smoke in Norway. It turns out that was a major reason she spent so much time in her peaceful grape arbor--once settled in the new country, Gulbrand, her husband, forbade her to smoke in their home. It also explains the endless pocketful

of peppermints--to cover her smoker's breath as well as to dole out to her adoring great-grandchildren!

She never learned to speak much English, so her communication with her grand children, indeed with many of her nieces and nephews, was limited. There is much further description of her in the Rovang file.
In 1963 & again in 1973 with daughter Sarah & son Vance, JGF & RKF visited the Vestre Slidre church where they were married in 1864. It had been newly decorated that year(1864), with the altar brightly painted in rosemaling style, and it is just that way today--has not been touched since then. We also saw their marriage records, but unfortunately did not make copies.

How remarkable to think that this marriage endured through nearly 69 years, and that Anna & Gulbrand were so vital a part of the development of that part of our country!

HUSBAND - Knut Gudmundsen RIDSTE-4905

Doc: 1801 Census for farm Ridste (Side B 03). Not certain where he was born, or his status vis a vis Ridste. Phrase after both his & his wife's names is "De Nyder Livore Af Gaarden". Can't find a translation, think it means they are renting thier cottage. Needs further research

WIFE - Jorand OLSDATTER-4906

Doc: 1801 Census for farm Ridste. See husband's FGR

CHILD 1 - Gudmund Knudsen RIDSTE-4907

Doc: 1801 Census. See father's FGR

Unmarried. Soldier (National soldat)

CHILD 2 - Iver Knudsen RIDSTE-887

Doc: 1801 Census lists him as tienestefolk (servant), age 20, ugift (unmarried). Working assumption is that he belongs in this family

CHILD 3 - Berit Knudsdatter RIDSTE-4914
